Report of "Professional Society Activities"

Date : 10.08.2019
Time : 11.00am -12.35pm

REPORT:

Department of Electronics and Communication Engineering organized Professional society activities under Institution of Engineers (India) [IE(I)] and Institution of Electronics and Telecommunication Engineers (IETE).

Professional society activities were planned for II year and III year students at seminar hall, and IV year students at A008. At Seminar hall, some motivational videos were presented by Mr. S.Karthikeyan and Ms.Madhunisha from III ECE. Chart art was conducted by Ms.Roja and Ms.Nandhini.

Students from III year ECE Ms.G.Kanimozhi and P. Kowsalya organizes Quiz Programme. All the students were split up into 3 groups. Questions were asked based on groups. Students are actively participated in this programme. To face the interview , a group discussion was organized by our students. At A008, various events like Picoart ,General quiz and fun games were conducted by our IV year students.
