A guest lecture on “Optical Communication and Networks” for IV year ECE students was held on 31st August 2019. The guest lecture has been organized by the department of ECE to provide the students with an opportunity to get a theoretical knowledge on networks, which is fundamental in the field of Communication. The lecture started around 10.00 AM and ended around 03:00 PM.

The guest lecture began with welcome address by the Head of the Department, ECE. The session was then continued by Dr,K.V.S.S.S.S.Sairam, who began with an brief introduction on optical communication. Following which, he shed the details about the Optical Networks and system transmission. He also briefed about the Optical CDMA and its applications

The session ended with hearty thanks and presenting of a memento in appreciation for taking the time out to educate the students on programme core. The speaker thanked the Management for providing the platform to organize guest lecture for the budding engineering talents.
