Accredited by NBA for BME, ECE & EEE
PERAMBALUR - 621 212. Tamil Nadu.

2021-2022

Institutional Distinctiveness:

1. Energy Efficiency Measures: The institution has implemented energy efficiency measures across its campus. It has upgraded lighting systems to energy-efficient LEDs and installed sensors and controls for optimised energy management. These efforts have led to substantial energy savings and a more sustainable campus environment.
2. Research and Innovation: The institution has established a dedicated research centre focused on emerging technologies. Its researchers and faculty actively engage in cutting-edge research, exploring new technologies and solutions in the fields of artificial intelligence, data analytics, 3D printing, cloud computing, and electric vehicles.
3. Sustainable Campus Operations: The institution has implemented sustainable practises in its daily operations. It has adopted recycling programmes and implemented water conservation measures. Additionally, the institution promotes sustainable food practises, including sourcing locally produced and organic food for its cafeterias and promoting plant-based meal options.
4. Community Outreach and Collaboration: Since its inception in 2001, the college has rendered a valuable contribution to the field of higher education among underprivileged students, particularly students from refugee families who settled here after partition. The highly qualified teachers of the college try to impart quality education through both conventional and non-conventional methods. The institution also promotes girls' education.
