

PROJECT REPORT – IGNITRA 2k22

Dhanalakshmi Srinivasan Engineering College (Autonomous), Perambalur had organized "IGNITRA – 2k22", a National Level Project Expo Cum Contest on 28.10.22 at Central Auditorium. Motto of the event was “Invent the Innovative Idea”. This event had acted as a platform to the Buddy Engineers to hinder out their technical knowledge by exhibiting their novel ideas for the benefit of society.

Warm Welcome was given by a Robot, designed by DSEC Students to **Thiru. A. Srinivasan, Honorable Chancellor of Dhanalakshmi Srinivasan University**. To witness the performance of the students, eminent personalities were invited for the events to act as a Jury. The Jury members were **Dr. N.L. Parthasarathi** (Scientist, E-Materials Development and Technology Division, Indira Gandhi Centre for Atomic Research, Kalpakkam-Chennai), **Dr. N. Sivakumaran** (Professor, Dept. of Instrumentation and Control Engineering, NIT, Tiruchirappalli), **Dr. G. Arthanareeswaran** (Professor, Dept. of Chemical Engineering, NIT, Tiruchirappalli), **Dr. R. Sudhesh** (Associate Professor, Dept. of Mathematics, Anna University Regional Campus, Tiruchirappalli), **Dr. K. Mathiyazhagan** (Chairperson-Research Centre/Associate Professor, Dept. of Management Studies, Thiagarajar School of Management, Madurai) and **Dr. S. Anuvelan** (Assistant Professor, Dept. of Computer Science and Engineering, Anna University Regional Campus, Tiruchirappalli).

Nearly 175 Projects from DSEC Students and 100 Projects from Other College Students were exhibited in various categories-Eureka, Engnitron, Expowhizzx, Omnific and Expozura. Chancellor along with the Juries visited the Expo and appreciated the students for their tireless effort in bringing out the innovative ideas for the benefit of society. Further, his inspiring words ignited the sparks into their minds to excel in the Technical Domain. This Exhibition acted as a bridge between School students, Polytechnic Students, and DSEC. Around 2000 students visited the expo, the real Technical Diwali Festival for the aspiring Engineers.

The Honourable Chancellor, **Thiru A. Srinivasan**, presided over the function and delivered the presidential address. **Dr. K. Elangovan**, Principal felicitated the gatherings with

his astonishing words about IGNITRA 2K22. The programme was organised by the coordinators, **Dr. D. Katherasan**, Head, Dept. of Robotics and Automation and **Prof. C. Narayanan**, Head, Dept. of Biomedical Engineering, under the guidance of **Dr. M. Sridevi**, Vice Principal, **Dr. K. Velmurugan**, Controller of Examinations and **Dr. K. Anbarasan**, Dean (Academics). The HODs, faculties, and students from all the departments participated in the event.
