

## **National Level Technical Symposium TECHNOVA – 2K23 Report**

**Organized by Information Technology and Master of Computer Application Departments.**

**Date: September 15, 2023**

With the blessings of Chancellor Ayya, the National Level Technical Symposium TECHNOVA 2K23 was organized by the Information Technology and Master of Computer Application departments of Dhanalakshmi Srinivasan Engineering College, Perambalur on **September 15, 2023**. The event was graced by our esteemed **Chief Guest, Dr. Vidivelli**, Associate Professor, School of Computing, **SASTRA University**, Tanjore. The symposium witnessed enthusiastic participation with over 70 external participants.

The event kicked off with the inauguration ceremony at 10:30 AM, setting the stage for a day filled with knowledge sharing and healthy competition. Ms.M.Logasri, a student from the IV Year IT department, delivered a warm welcome address to all the participants, setting the tone for the day. Dr. R. Anbarasan, Dean Academics, graced the occasion with an insightful speech.

As a special highlight, our Chief Guest, Dr. Vidivelli, also had the honor of releasing the event's souvenir, symbolizing the importance of this symposium in our departments.

Mr. S. Saravanan introduced our esteemed Chief Guest, Dr. Vidivelli, highlighting his significant contributions to the field of technology and education. Dr. Vidivelli then delivered an inspiring inaugural address to the students, encouraging them to embrace the ever-evolving world of technology.

The symposium featured three exciting events: Paper Presentation, Technical Quiz, and Code Debugging. In the Paper Presentation event, approximately 24 papers were presented by talented participants. The First prize in this category were secured by teams from college M.Kumarasamy College of Engineering and Technology - Karur, showcasing their exceptional research and presentation skills.

The Technical Quiz saw enthusiastic participation, with around 65 students testing their knowledge. The first prize in this event were claimed by teams from college Krishnasamy College of Engineering and Technology - Cuddalore, demonstrating their expertise in various technical domains.

In the Code Debugging competition, approximately 50 students displayed their coding prowess. The First position were secured by students from college Dhanalakshmi Srinivasan Engineering College (Autonomous) - Perambalur, showcasing their problem-solving abilities.

During the symposium, a delicious lunch was arranged for all the participants, providing them with an opportunity to network and recharge for the afternoon sessions.

The symposium concluded with a valedictory function at 3:45 PM, where Chief Guest Dr. Vidivelli distributed prizes to the deserving winners, recognizing their outstanding

achievements. The event was a resounding success, thanks to the dedication and hard work of all participants, organizers, and volunteers.

Mr. S. Saravana Kumar, coordinator of the Technical Symposium, delivered a comprehensive report on the proceedings and outcomes of the symposium. This report contributed significantly to capturing the essence of the National Level Technical Symposium TECHNOVA 2K23, making it an informative and memorable experience for all attendees.

The day came to a close with a heartfelt vote of thanks delivered by Dr. V. Thirupathy Kesavan, Professor & Head of the Department of Information Technology, expressing gratitude to all who contributed to making the TTN symposium a memorable and enriching experience.

The National Level Technical Symposium TECHNOVA 2K23 was a platform for students to showcase their talents, learn from experts, and foster a spirit of innovation and collaboration. It served as a testament to the commitment of Dhanalakshmi Srinivasan Engineering College towards nurturing future technocrats and leaders.

We look forward to hosting more such events in the future and continuing our journey towards excellence in technical education.
