INSTITUTIONAL DISTINCTIVENESS

VISION:

An active and committed centre of advanced learning focused on research and training in the fields of Engineering, Technology and Management to serve the nation better.

Research and Development cell:

RD cell promotes a research culture. Facilitation and promotion of development of the strategic direction of research within the faculty and students, improvements in the quality and impact of that research and the growth of local, national and international collaborations.

Professional Societies:

Regarding domain specific knowledge transformation, more than 15 Professional Societies was launched in our campus and is active in organizing the technical events for the betterment of the students and faculty members.

Human Resource Development Centre:

HRDC provides career counseling to the students which are a crucial factor in bridging the gap between higher education and the world of work.
