

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

INDUSTRIAL VISIT REPORT

The Department of Computer Science and Engineering Third Year Students Visited **Spectrum Softech Solutions Pvt. Ltd. Kochi – Kerala** on 28th September 2024. The crew consists of 135 students and 6 faculties and the team was so interested to gain information from the Industrial experts.

Our students were learned about Industry level basics of developing Software Applications, Overview of Web Development to building and maintaining websites. It includes web design, web programming, and database. How to develop a website using some programming language like HTML5, CSS3, React JS, Node JS, Python and R Language. We express our gratitude to the principal and management who permitted us to go for the visit.

The programme was useful to some extent. The Organizers were very Cooperative. If they had given hands on training it would have been a very successful training programme.
