

DEPARTMENT OF CYBER SECURITY
NATIONAL LEVEL TECHNICAL SYMPOSIUM
AI'STHETICA 2K26
On
18.02.2026.

Warm Greetings from the Department of Cyber Security.

With the blessings of our Esteemed Chancellor Ayya, we successfully conducted the National Level Technical Symposium AI'STHETICA 2K26 on 18.02.2026.

We extend our heartfelt gratitude to our Chief Guests and our proud alumni, Mr. Yogeshwaran Nallakumar (Product Designer – Ford Motor Pvt. Limited, Chennai) and Mrs. K. Jai Sriram (CSR – Program Manager, UST Technology), for sparing their valuable time, sharing insightful thoughts, and inspiring our students with their knowledge and experience.

Our Chief Guest, Mr. Yogeshwaran Nallakumar, delivered an inspiring address emphasizing innovation, perseverance, and the courage to transform ideas into successful ventures. He highlighted the importance of strategic thinking and adaptability in today's competitive business environment.

Mrs. K. Jai Sriram shared her valuable insights on corporate leadership, project management, and the evolving role of technology in business operations. She emphasized the importance of effective team coordination, communication skills, and continuous learning to excel in the corporate world.

We are deeply thankful to our Principal Sir and Vice Principal Sir for their continuous encouragement, administrative support, and commitment towards academic growth and innovation. We extend our sincere appreciation to our well-wishers, faculty, and staff members whose tireless efforts, dedication, and teamwork played a vital role in organizing every event successfully.

Altogether, around 140 students representing various institutions across Tamil Nadu participated and made the event a grand success.

Finally, we convey our heartfelt thanks to everyone who supported and participated in this symposium. We look forward to your continued encouragement in our future endeavors
