Esteemed Chancellor Shri.A. Srinivasan Dhanalakshmi Srinivasan University

Message from the Esteemed Chancellor

It gives me immense pleasure to present this edition of the newsletter of Dhanalakshmi Srinivasan Engineering College, capturing the vibrant academic and co-curricular activities of the institution for the period of January to June 2025. This publication reflects the collective commitment of our students, faculty, and staff towards excellence in education, research, innovation, and societal contribution. I am delighted to note the wide array of initiatives—from student and faculty enrichment programs, industrial visits, workshops, and expert talks, to significant achievements in placements, patents, publications, and NPTEL certifications. The active participation of students in symposiums, internships, and club activities underscores the dynamic learning environment nurtured at our institution.

Our journey towards academic distinction is strengthened by the tireless efforts of the faculty and the aspirations of our students. I take this opportunity to congratulate all the achievers and contributors featured in this newsletter. Let this documentation of success serve not only as a record but as a source of motivation for everyone in our academic community. May we continue to uphold our vision of creating globally competent professionals and ethical citizens.

My best wishes to all.

With warm regards,
**Chancellor Dhanalakshmi
Srinivasan University**

**Prof. Dr. D. Shanmugasundaram M.E., Ph.D., F.I.E., C.Eng.
Principal**

Message from the Principal

At DSEC, every semester is more than just a measure of time—it's a chapter of growth, resilience, and achievement.

This newsletter, covering the period from January to June 2025, is a reflection of our vibrant academic ecosystem. It showcases the dedication of our faculty, the enthusiasm of our students, and the collaborative spirit that drives innovation within our campus. From technical excellence to cultural vibrancy, from internships and industry exposure to research publications and NPTEL achievements—each initiative adds strength to our academic vision.

We believe education is not only about knowledge but about creating opportunities to lead, serve, and transform. I am proud that our students and faculty are upholding this ideal with sincerity and purpose.

As you explore these pages, may you feel inspired by the journey we've shared—and motivated to shape the path ahead with the same energy and excellence.

Warm wishes to all.

Warm regards,
Principal
Dhanalakshmi Srinivasan Engineering College

About the College

Our Dhanalakshmi Srinivasan Engineering College (An Autonomous Institution) has 23 years of enchanting Education, as established in the year of 2001 at Perambalur, Tamil Nadu. Our Institution is accredited with _A Grade 'by NAAC in the year of 2015 and further it is Re-Accredited with the same Grade till 2025. Our Institute is conferred with Autonomous status from UGC and Anna University for a period of ten years. Our college is accredited by TCS. Departments of AERO, BME, CSE, ECE, EEE, IT and MECH are accredited by NBA. Our Institution is run by the Silver Jubilee celebrated Group of Dhanalakshmi Srinivasan Charitable and Educational Trust, Perambalur, Tamil Nadu. Our endowed educational trust started the college with motto of promoting Engineering / Technical Education to the Students in rural area of the backward Districts of Tamil Nadu. Our Institution offer 16 UG Programme and 6 PG Programme.

The aspirants of the Institution both the Faculty and Students are vibrant in congregating the cutting-edge technologies in their respective fields. This motto is aided by the regular Professional Society and Club Activities. The College offers a good scope for Service – oriented Programme organized by NSS, Fine Arts Association and Student Care Centre. The Rain Water Harvesting units are also built with a societal impact in our college premises. The Human Resource Development Centre focuses on the full-fledged placements for all department Students. As now with another great Milestone of receiving Autonomy we are working together with a hope of consequential development of the students in all aspects. We have introduced Skill based Module which helps our students to mould themselves with variety of Skill based Learning. These Courses are designed to groom budding Engineers, become Employable and a responsible Citizen of the Nation. Regarding infrastructure, our campus is lush green campus and has well equipped laboratories and smart classrooms. Separate hostel facility is available for both boys and girls with multi cuisine food. 24 hours Wi Fi facility is available in our institution and also, we have specialized central auditorium with fully air-conditioned facility and having the seating capacity of 2500 with state of art facilities.
