## **Esteemed Chancellor Shri.A.Srinivasan Dhanalakshmi Srinivasan University**

### **Message from the Esteemed Chancellor**

As we near the release of the March 2024 Newsletter, I am filled with immense pride and gratitude for the exceptional journey of growth and achievement that we have embarked upon together. This newsletter is not merely a documentation of events; it is a living testament to our steadfast commitment to excellence in education and holistic development. Within its pages lie the vibrant narratives of our college's ecosystem - from the diverse avenues of student enrichment to the innovative faculty development programs, impactful alumni interactions, dynamic club activities, and the remarkable achievements of our students across esteemed institutions. Our faculty members, the pillars of our institution, have showcased unparalleled dedication through their insightful publications, active engagement in academic pursuits, and valuable contributions to industry-academia partnerships. Your passion and expertise serve as the driving force behind our collective success, and I extend my heartfelt appreciation for your unwavering efforts.

To our students, I applaud your resilience, creativity, and unwavering pursuit of excellence. Your accomplishments, both within our campus and beyond, stand as beacons of inspiration for all of us. As we delve into the enriching experiences of our industrial visits, I am reminded of the invaluable practical knowledge and insights gained, bridging the gap between theory and real-world application. I encourage every member of our community to not only peruse but deeply engage with the narratives within this newsletter. Let it be a source of inspiration, igniting your aspirations and fostering a passion for continual growth and contribution. Together, let us celebrate our collective achievements, draw wisdom from our experiences, and chart a path toward a future brimming with innovation, collaboration, and boundless possibilities.

**Prof. Dr. D. Shanmugasundaram M.E., Ph.D., F.I.E., C.Eng.,  
Principal**

### **Message from the Principal**

With great anticipation, we await the unveiling of our March 2024 Newsletter, a testament to our collective dedication to excellence and innovation. This edition encapsulates the multifaceted achievements and transformative endeavors that define our institution's journey. From pioneering student initiatives to groundbreaking faculty research and impactful industry collaborations, our community exemplifies a relentless pursuit of knowledge and progress. The newsletter showcases the exceptional achievements of our students, illuminating their talents, resilience, and contributions across diverse domains. It also heralds the profound impact of our distinguished faculty members, whose scholarly pursuits and mentorship continually elevate the academic landscape.

Moreover, our flourishing alumni network serves as an invaluable resource, fostering inspiration and guidance for current students. Insights into our strategic industry alliances underscore our commitment to practical learning and industry relevance. I extend profound gratitude to every individual within our community for their unwavering dedication and invaluable contributions to our collective success. Let us forge ahead, united in our pursuit of excellence and transformative growth.

## About the College

Our Dhanalakshmi Srinivasan Engineering College (An Autonomous Institution) has 23 years of enchanting Education, as established in the year of 2001 at Perambalur, Tamil Nadu. Our Institution is accredited with 'A Grade' by NAAC in the year of 2015 and further it is Re-Accredited with the same Grade till 2025. Our Institute is conferred with Autonomous status from UGC and Anna University for a period of ten years. Our college is accredited by TCS. Departments Of BME,ECE and EEE Are accredited by NBA. Our Institution is run by the Silver Jubilee celebrated Group of Dhanalakshmi Srinivasan Charitable and Educational Trust, Perambalur, Tamil Nadu. Our endowed Educational trust started the college with motto of promoting Engineering / Technical Education to the Students in rural area of the backward Districts of Tamil Nadu. Our Institution offer 16 UG Programme and 6 PG Programme.

The aspirants of the Institution both the Faculty and Students are vibrant in congregating the cutting edge technologies in their respective fields. This motto is aided by the regular Professional Society and Club Activities. The College offers a good scope for Service – oriented Programme organized by NSS, Fine Arts Association and Student Care Centre. The Rain Water Harvesting units are also built with a societal impact in our College premises. The Human Resource Development Centre focuses on the full fledged placements for all department Students. As now with another great Milestone of receiving Autonomy we are working together with a hope of consequential development of the students in all aspects. We have introduced Skill based Module which helps our Students to mould themselves with variety of Skill based Learning. These Courses are designed to groom budding Engineers, become Employable and a responsible Citizen of the Nation. Regarding infrastructure, our campus is lush green campus and has well equipped laboratories and smart classrooms. Separate hostel facility is available for both boys and girls with multi cuisine food. 24 hours Wi Fi facility is available in our institution and also we have specialized central auditorium with fully air conditioned facility and having the seating capacity of 2500 with state of art facilities.

## Vision and Mission

### Vision

- An active and committed centre of advanced learning focused on research and training in the fields of Engineering, Technology and Management to serve the nation better.

### Mission

- To develop eminent scholar with a lifelong follow up of global standards by offering UG,PG and Doctoral Programmes.
- To pursue Professional and Career growth by collaborating mutually beneficial partnership with industries and higher institutes of research.
- To promote sustained research and training with emphasis on human values and leadership qualities.
- To contribute solutions for the need based issues of our society by proper ways and means as dutiful citizen.

## Faculty Development Program

Hertz Association along with IIEI, 5 days FDP on “Embedded Systems for IoT Applications” on 10/07/2023 to 14/07/2023

## Department Association Program

The AI Revolution in Cyber Security Summit'23, organized by the National Cyber Security Research Center (NCSRC), India, hosted at Dhanalakshmi Srinivasan Engineering College (Autonomous), Perambalur on November 24-25, 2023. Aimed at addressing the evolving landscape of cyber security, the summit brought together 1192 participants, including representatives from various colleges and industry professionals. The coordinators for this summit are Dr. P. Rajeswari, HOD-ECE And Dr. V. Thirupathy Kesavan, HOD-IT.

## Hackathon 2023

The Department of Electronics and Communication Engineering, through the Hertz Association, successfully organized an Internal Hackathon for Smart India Hackathon 2023 on 09.10.2023 with the objective of identifying and nurturing innovative student teams for national-level competition. The event was inaugurated in the presence of the Chief Guest, Mr. S. Praveen Kumar, Software Development Engineer, who delivered an inspiring address highlighting the importance of problem-solving skills, teamwork, and technological innovation in addressing real-world challenges. Students actively participated by presenting their ideas and prototypes based on problem statements provided by Smart India Hackathon.

## Alumni Interaction Program

The Alumni Meet for the Electronics and Communication Engineering (ECE) batch of 2005 was held on Sunday, August 6<sup>th</sup>, 2023, at the college premises with blessings of Esteemed Chancellor Shri.A.Srinivasan, Dhanalakshmi Srinivasan University. The alumni engaged in interactive sessions where they shared their post-college experiences, career journeys, and insights into the rapidly evolving field of electronics and communication.

## Club Activities

Professional Development Club, Workshop on Leadership and Team Building on 07/09/2023

Professional Development Club, Training on Placement Readiness and Aptitude Skills on 11/11/2023

Electronics Hobby Club, Seminar on AI in Electronics and Communication on 10/08/2023

## Seminar

Department of Electronics and Communication Engineering organized the one day seminar from “Cranes Varsity “on 4.09.2023 at DSP LAB. This Seminar aims to motivate the students to gain more knowledge in Core Related Companies and give more idea about IoT, Automotive and VLSI Technologies. Resource person Mrs. Ashwini , General Manager and Mr.Venkatesh B R, Corporate Trainer shared insightful thoughts on placement careers and recent technologies.

Department of Electronics and Communication Engineering organized the one day seminar on “5 G Communication Technology “on 11.08.2023 at DSP LAB. This Seminar aims to motivate the students to gain more knowledge in 5 G communications Technologies. Initially **Mr.C.Sathish kumar**, AP/ECE introduced the chief guest to the audience. **Prof.P.Rajeswari** Head of the Department honored the Chief Guest. **Mrs. SARANYA T V** Regional Business Head from DADB, India started her exceptional speech with a great start in partake her experience and started sharing the recent technologies.

## Workshop

Department of ECE, Dhanalakshmi Srinivasan Engineering College (Autonomous) organized two days workshop on 12.10.2023 and 13.10.2023 titled “Industrial IoT using LORAWAN technology” in Dhanalakshmi srinivasan engineering college , perambalur-621212, Tamilnadu.

## NATIONAL SYMPOSIUM

Department of ECE, Dhanalakshmi Srinivasan Engineering College (Autonomous) organized Organized NATIONAL SYMPOSIUM DECIBERTZ -23 on **22.09.2023**. **Dr. N. Sivakumaran**, Professor Department of Instrumentation and Control Engineering, National Institute of technology, Tiruchirappalli, Chief Guest addressed about the “Importance of Cloud Computing and IOT” and acted as judge for Technical Session.
