

Department of ECE (2024-2025)

Seminar

Department of Electronics and Communication organized one day **seminar** titled “**VLSI-ASIC system design for next generation IoT and SoC Implementations**” on **30th August, 2024** by the Resource person **Dr.R Murali Krishna, National Institute of Technology-Tiruchirappalli.**

Department Association Inauguration

Department Association Inaugural function (HERTZ-2024) has been held on 30th August, 2024 by the Chief Guest Dr.R. Murali Krishna, National Institute of Technology-Tiruchirappalli.

Industrial Visit

Industrial visit Organized on 3 & 4 Sept, 2024 by the Kaynes Technology and PECSOL Technologies for III & IV year students.

Webinar

Department of Electronics and Communication organized One day **Webinar** on **29 July 2024**, Driven session is based on **Guiding framework for creating and Engaging Trained faculty and student IIC members innovation ambassadors(IA)** in IIC institutions and rewarding mechanisms for IAs

Student Achievement

Vishwa.M from the Department of Electronics and Communication won **First Prize** in **TAEKWONDO (under 68kg)** held in **Cuddalore**.

G. Vignesh (IV-B), S. Praveen Kumar (IV-B), S.Sanjeev (IV-B), Kalaiarasan (IV-A), Sivabalan (III-B), Pratheswaran (III-B) from the Department of Electronics and Communication won the **RUNNERUP Position** in the **CM Trophy** in **HANDBALL** event.

T.Surya Prakash (IV- B) from the Department of Electronics and Communication **won second place** in ANNA UNIVERSITY, zonal level **BASKETBALL match.**

Naveen .V from the Department of Electronics and Communication **won GOLD MEDAL** in **CHESS EVENT**, Organized by **Sports development authority of Tamil Nadu**.

Harish.B

Gangatharan.R

Harish.B & Gangatharan.R from Department of Electronics and Communication **won FIRST place in CIPHER ZONE**, a national level symposium organized by **Loyola college of Engineering and technology, Chennai.**

The Department of Electronics and Communication Engineering (ECE), successfully organized a Two-Day Workshop on 22.4.25 & 23.4.25 titled "Interfacing Peripherals with Arduino" for III Year ECE students. The workshop offered excellent hands-on/project-based learning. Students actively participated and showed great enthusiasm. On the final day, students showcased their Arduino-based mini projects, which were evaluated by a panel of faculty members – promoting innovation, practical thinking, and teamwork.

The Department of Electronics and Communication Engineering (ECE), successfully organized one day International Conference on 25.04.25 titled "Power Systems and Communication Engineering at DS Auditorium. The session was presided by Dr S.S Karthikeyan, Associate Professor NIT, Trichy. The event brought together leading researchers, industry professionals, and academic experts from around the world to discuss cutting-edge advancements and challenges in the fields of electrical power systems and modern communication technologies and nearly 100 participants from various colleges have presented their research papers in the conference

The Department of Electronics and Communication Engineering ECE has successfully signed a **Memorandum of Understanding (MoU)** with Rajan Robotics, Trichy. on 22.4.25 which has laid a strong foundation for future collaborative projects for the students.

The Department of Electronics and Communication Engineering at **Dhanalakshmi Srinivasan Engineering College** organized an **invited talk** on "**Campus to Corporate**" on **January 24, 2025, at 11:00 AM**. The session aimed to bridge the gap between academic learning and corporate expectations, preparing students for a smooth transition into the professional world.
