STUDENT ENRICHMENT PROGRAM

**DHANALAKSHMI SRINIVASAN
ENGINEERING COLLEGE (Autonomous)**

(Approved by AICTE, New Delhi & Affiliated to Anna University, Chennai)
Re-Accredited with 'A' Grade by NAAC, Accredited with TCS,
Re-Accredited by NBA (BME, ECE & EEE)
Thuraiyur Main Road, Perambalur - 621 212.

**DEPARTMENT OF ELECTRICAL AND
ELECTRONICS ENGINEERING**
Organizes
STUDENTS ENRICHMENT PROGRAM

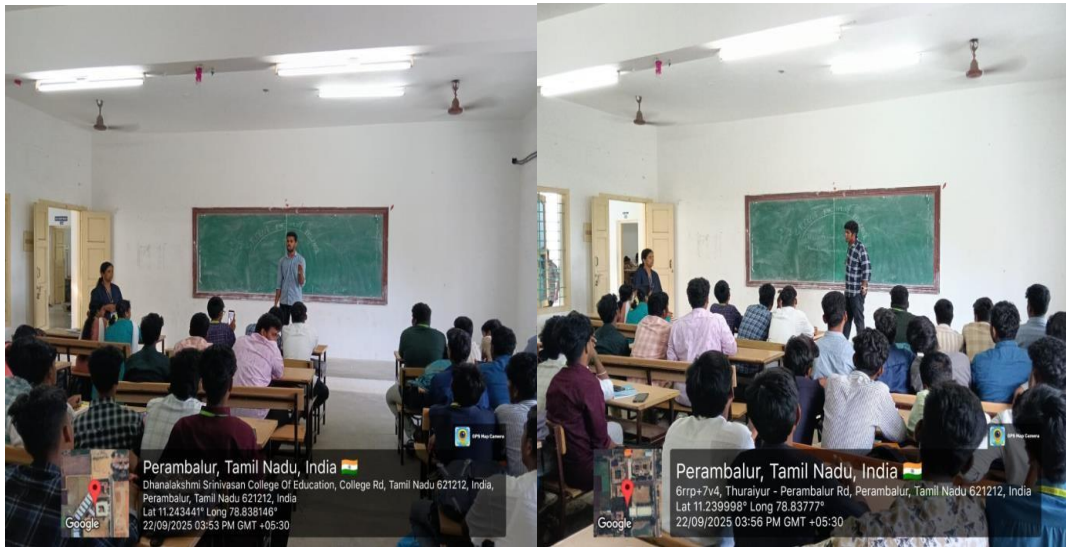

V. Arunprasath
II-EEE
(RFID card Arudibo +unio door lock system)

T. Saravankumar
II-EEE
(Battery swapping station charging by solar)

Time: 03.20pm to 04.10pm | Date: 22.09.2025 | Venue: B block - 202

All are welcome

On 22nd September 2025, the Department of Electrical and Electronics Engineering (EEE) organized a Students Enrichment Programme (SEP) for II-year EEE students. Two students, Mr. V. Arunprasath and Mr. T. Saravanakumar, delivered technical sessions on the topics “RFID Card Arduino Door Lock System” and “Battery Swapping Station Charging by Solar”, respectively. More than 60 students and 5 faculty members actively participated in the programme.

The session on “RFID Card Arduino Door Lock System” enhanced the students understanding of embedded systems and automation. It provides hands-on exposure to Arduino programming and RFID technology, demonstrating their real-time applications in smart security systems.

The topic “Battery Swapping Station Charging by Solar” introduced students to sustainable energy solutions and electric vehicle (EV) infrastructure. The session emphasized the importance of solar energy in promoting green mobility and offered valuable insights into the design and operation of battery swapping systems.

Overall, the programme served as an effective platform to enhance technical knowledge and Promote practical learning among the students.

On 13th October 2025, the Department of Electrical and Electronics Engineering (EEE) organized a Students Enrichment Programme (SEP) for II-year EEE students. Three of our II-year students, Mr. R. Thillaiganesh, Mr. A. Mohammed Suhail, and Mr. R. Dharaniyarasan, presented sessions on the topics “RFID for Attendance”, “Harmonic Analysis”, and “Mini Project Presentation”, respectively. More than 60 students and 5 faculty members actively participated in the programme.

The Students Enrichment Programme was conducted to enhance students’ technical knowledge, soft skills, and overall professional development. It provided a valuable platform for interactive learning beyond the classroom through student-led presentations and practical sessions.

ALUMNI INTERACTION PROGRAM

The **Department of Electrical and Electronics Engineering, Dhanalakshmi Srinivasan Engineering College**, organized an **Alumni Interaction Program** on **8th August 2025** at **11:00 AM**. **Mr. Gowtham, Automation Developer** at **NISSI Engineering Solutions Pvt. Ltd., Chennai**, delivered a session titled **“Industry Exposure in Automation.”** More than **95 students** attended the session and actively participated

The session helped bridge the gap between **academic learning and professional expectations**, inspiring students through **success stories** and **valuable guidance** from our esteemed alumnus. It served as an inspiring platform that connected students with successful alumni to share their **experiences, insights, and career advice**.

CLUB ACTIVITIES

The department of **EEE**, organised the **EEE Club Inauguration Cum Hands-On training Program** on **27th September 2025** at **10.00 AM** in **Room B-207**. The theme of the program was **“Arduino Programming”**, focusing on practical learning and applications of embedded systems.

The **resource person** for the training was **Mr.S.Amal Krishna**, an alumnus of the department, who shared his expertise and practical insights into Arduino programming and its role in model automation and IoT-based projects.

The occasion was graced with felicitations by **Dr.V.Karthika**, Final year coordinator

of DSEC, and **Mr.T.Vijayakumar**,HOD/CST of DSEC. Their motivational words emphasized the importance of skill development and innovation in emerging technologies.

The event was coordinated by **Mr.M.Asaithambi** and **Mr.G.Chandrasekar**, Assistant Professors, Department of EEE. The program was convened by **Dr.M.Parameswari**, Professor and HOD/EEE. The inauguration function commenced with a warm felicitation extended by **Dr. D. Shanmugasundaram- Principal/DSEC** and **Dr. K. Anbarasan-Vice-Principal/DSEC**.

All the EEE Students actively participated in the program. The hands-on training session enabled them to gain practical exposure to **Arduino board programming, sensor interfacing, and real- time applications**. The interactive approach encouraged active participation, enhancing student's technical knowledge and creativity. They were introduced to the various clubs along with their faculty and student coordinators.

All participants expressed that the event was highly informative and beneficial.

CLUBS NAME:

- **Energy Club**
- **Hackathon Club**
- **Club of Women Empowerment**
- **Alumni Club**
- **Eco Club**
- **Literacy Club**
- **Sports Club**
- **Entrepreneurship Club**
- **Talk Club**
