DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING NEWSLETTER FOR THE ACADEMIC YEAR 2024 -2025 (January 2025 – May 2025) EVEN SEMESTER

Newsletter: JANURARY 2025

Editor-In-Chief: Dr.K.Anbarasan, Professor-EEE, Dean Academics

Editor: Dr.M.Parameswari, Professor & Head/EEE

**Esteemed Chancellor Shri.A.Srinivasan
Dhanalakshmi Srinivasan University**

Message from the Esteemed Chancellor

As we near the release of the January 2025- May 2025 Newsletter, I am filled with immense pride and gratitude for the exceptional journey of growth and achievement that we have embarked upon together. This newsletter is not merely a documentation of events; it is a living testament to our steadfast commitment to excellence in education and holistic development. Within its pages lie the vibrant narratives of our college's ecosystem - from the diverse avenues of student enrichment to the innovative faculty development programs, impactful alumni interactions, dynamic club activities, and the remarkable achievements of our students across esteemed institutions. Our faculty members, the pillars of our institution, have showcased unparalleled dedication through their insightful publications, active engagement in academic pursuits, and valuable contributions to industry-academia partnerships. Your passion and expertise serve as the driving force behind our collective success, and I extend my heartfelt appreciation for your unwavering efforts.

To our students, I applaud your resilience, creativity, and unwavering pursuit of excellence. Your accomplishments, both within our campus and beyond, stand as beacons of inspiration for all of us. As we delve into the enriching experiences of our industrial visits, I am reminded of the invaluable practical knowledge and insights gained, bridging the gap between theory and real-world application. I encourage every member of our community to not only peruse but deeply engage with the narratives within this newsletter. Let it be a source of inspiration, igniting your aspirations and fostering a passion for continual growth and contribution. Together, let us celebrate our collective achievements, draw wisdom from our experiences, and chart a path toward a future brimming with innovation, collaboration, and boundless possibilities.

**Prof. Dr. D. Shanmugasundaram M.E., Ph.D., F.I.E., C.Eng.,
Principal**

Message from the Principal

With great anticipation, we await the unveiling of our March 2024 Newsletter, a testament to our collective dedication to excellence and innovation. This edition encapsulates the multifaceted achievements and transformative endeavors that define our institution's journey. From pioneering student initiatives to ground breaking faculty research and impactful industry collaborations, our community exemplifies a relentless pursuit of knowledge and progress. The newsletter showcases the exceptional achievements of our students, illuminating their talents, resilience, and contributions across diverse domains. It also heralds the profound impact of our distinguished faculty members, whose scholarly pursuits and mentorship continually elevate the academic landscape.

Moreover, our flourishing alumni network serves as an invaluable resource, fostering inspiration and guidance for current students. Insights into our strategic industry alliances underscore our commitment to practical learning and industry relevance. I extend profound gratitude to every individual within our community for their unwavering dedication and invaluable contributions to our collective success. Let us forge ahead, united in our pursuit of excellence and transformative growth.

About the Institute

Our Dhanalakshmi Srinivasan Engineering College (An Autonomous Institution) has 23 years of enchanting Education, as established in the year of 2001 at Perambalur, Tamil Nadu. Our Institution is accredited with 'A Grade' by NAAC in the year of 2015 and further it is Re-Accredited with the same Grade till 2025. Our Institute is conferred with Autonomous status from UGC and Anna University for a period of ten years. Our college is accredited by TCS. Departments Of BME, ECE and EEE Are accredited by NBA. Our Institution is run by the Silver Jubilee celebrated Group of Dhanalakshmi Srinivasan Charitable and Educational Trust, Perambalur, Tamil Nadu. Our endowed Educational trust started the college with motto of promoting Engineering / Technical Education to the Students in rural area of the backward Districts of Tamil Nadu. Our Institution offer 16 UG Programme and 6 PG Programme.

The aspirants of the Institution both the Faculty and Students are vibrant in congregating the cutting edge technologies in their respective fields. This motto is aided by the regular Professional Society and Club Activities. The College offers a good scope for Service – oriented Programme organized by NSS, Fine Arts Association and Student Care Centre. The Rain Water Harvesting units are also built with a societal impact in our College premises. The Human Resource Development Centre focuses on the full-fledged placements for all department Students. As now with another great Milestone of receiving Autonomy we are working together with a hope of consequential development of the students in all aspects. We have introduced Skill based Module which helps our Students to mould themselves with variety of Skill based Learning. These Courses are designed to groom budding Engineers, become Employable and a responsible Citizen of the Nation. Regarding infrastructure, our campus is lush green campus and has well equipped laboratories and smart classrooms. Separate hostel facility is available for both boys and girls with multi cuisine food. 24 hours Wi Fi facility is available in our institution and also we have specialized central auditorium with fully air conditioned facility and having the seating capacity of 2500 with state of art facilities.

Vision and Mission of the Institute

Vision

- An active and committed centre of advanced learning focused on research and training in the fields of Engineering, Technology and Management to serve the nation better.

Mission

- To develop eminent scholar with a lifelong follow up of global standards by offering UG,PG and Doctoral Programmes.

- To pursue Professional and Career growth by collaborating mutually beneficial partnership with industries and higher institutes of research.
- To promote sustained research and training with emphasis on human values and leadership qualities.
- To contribute solutions for the need based issues of our society by proper ways and means as dutiful citizen.

About the Department

The Department of Electrical and Electronics Engineering, Dhanalakshmi Srinivasan Engineering College, Perambalur was established in the year 2001 – 2002 and affiliated to ANNA UNIVERSITY, Chennai. Two Post-Graduate programmes M.E. in Power Electronics and Drives during the academic year 2011-2012 and Embedded System Technologies during the academic year 2012-2013 have been introduced. We have a leading edge teaching facility and state-of-the-art laboratory facilities to enhance the learning experience of the students. The department develops the analytical and practical skills of students to serve better industrial, organizational and research set ups.

We provide individual attention and world class quality of education. We have a team of highly qualified, experienced and dedicated faculty to impart quality education to the students. The Department has been accredited by NBA (National Board of Accreditation). The EEE Department has been organizing many Symposiums, Seminars, Conference, Workshop, Guest lectures and the IEEE Chapter.

Vision and Mission of Electrical and Electronics Engineering Department

Vision

- To infuse technical competencies of Electrical and Electronics Engineering and provide research ambience with values.

Mission

- To impart quality education and training in Electrical and Electronics Engineering with an overall background suitable for making a successful Engineer in industry and research or higher education.
- To develop life-long learning skills that allows them to be adaptive and responsive to changes in society, technology and the environment, as well as career demands.
- To provide an accredited dynamic scholarly environment wherein students learn to develop communications and leadership abilities to blossom as a professional.

- To ensure that every graduate is aware of the roles and responsibilities of the professional engineer in society through exposure to ethics, equity, safety and health considerations.

PROGRAM EDUCATIONAL OBJECTIVES (PEOs)

PEO 1	Graduates will possess expertise in problem analysis, solving, designing, skills and necessary information for a successful career in the field of Electrical and Electronics Engineering.
PEO 2	Graduates will accomplish practical acquaintance in modern designing tools, technologies and Engineering software in Electrical and Electronics Engineering.
PEO 3	Graduates will be outstanding in communication, teamwork and multidisciplinary approach related to engineering issues in social context.
PEO 4	Graduates will excel in competitive environment towards leadership and life-long learning which is needed for a successful professional career.

PROGRAM OUTCOMES (POs)

PO	Graduate Attribute
PO1	Engineering knowledge – Apply the knowledge of mathematics, science, engineering fundamentals, and an engineering specialization to the solution of complex engineering problems.
PO2	Problem analysis – Identify, formulate, review research literature, and analyze complex engineering problems reaching substantiated conclusions using first principles of mathematics, natural sciences, and engineering sciences.
PO3	Design/Development of solutions – Design solutions for complex engineering problems and design system components or processes that meet the specified needs with appropriate consideration for the public health and safety, and the cultural, societal, and environmental considerations.
PO4	Conduct investigations of complex problems – Use research-based knowledge and research methods including design of experiments, analysis and interpretation of data, and synthesis of the information to provide valid conclusions
PO5	Modern tool usage – Create, select, and apply appropriate techniques, resources, and modern engineering and IT tools including prediction and modeling to complex engineering activities with an understanding of the imitations.
PO6	The Engineer and Society – Apply reasoning informed by the contextual knowledge to assess societal, health, safety, legal and cultural issues and the consequent responsibilities relevant to the professional engineering practice.
PO7	Environment and Sustainability – Understand the impact of the professional engineering solutions in societal and environmental contexts, and demonstrate the knowledge of, and need for sustainable development.

PO8	Ethics – Apply ethical principles and commit to professional ethics and responsibilities and norms of the engineering practice.
PO9	Individual and team work – Function effectively as an individual, and as a member or leader in diverse teams, and in multidisciplinary settings.
PO10	Communication – Communicate effectively on complex engineering activities with the engineering community and with society at large, such as, being able to comprehend and write effective reports and design documentation, make effective presentations, and give and receive clear instructions.
PO11	Project management and finance – Demonstrate knowledge and understanding of the engineering and management principles and apply these to one’s own work, as a member and leader in a team, to manage projects and in multidisciplinary environments.
PO12	Life-long learning – Recognize the need for, and have the preparation and ability to engage in independent and life-long learning in the broadest context of technological change.

PROGRAM SPECIFIC OUTCOMES (PSOs)

PSO 1	Power Networks – Assess feasibility, applicability and optimality in power networks.
PSO 2	System Simulation – Ability to use software for design, simulation and analysis of electrical systems.
PSO 3	Power Electronics & Drive Systems - Proficient in Power converters, Drives, Control strategies, and integration with Renewables and Electric vehicles.

FACULTY ENRICHMENT PROGRAM

The Department of EEE was conducted the seminar in the title of **“Power Quality Issues and Solutions”** The Session was presented by Mrs.M.Bhuvaneshwari on 21/01/2025 at 11.00 AM. The event was held on time to make the participations gain more subject knowledge and technical skills. More than 200 students were actively participated.

ALUMNI INTERACTION PROGRAM 1

The Department of Electrical and Electronics Engineering, **Dhanalakshmi Srinivasan Engineering College** organized an **Alumni Interaction Program** on **January 28, 2025**, at **11:00 AM** presented by **Mr.Vengatesh, Power Engineer**, Chennai Silks, Vellakoil, Kangeyam in the title of “Installation of Solar Power System”. More than 95 students had attended the session.

ALUMNI INTERACTION PROGRAM 2

The Department of Electrical and Electronics Engineering, **Dhanalakshmi Srinivasan Engineering College** organized an **Alumni Interaction Program** on **March 25, 2025, at 11:00 AM** presented by **Mr.N.Mohaideen, Electrical Engineer**, Q tech Electrical Engineering, Qatar in the title of “Testing And Commissioning”. More than 95 students had attended the session.

HIGHER EDUCATION & CAREER GUIDANCE PROGRAMME

Department of EEE has organized **Orientation Programme** in the title of “**Career Guidance and Preparation for Competitive Exam**” on 30th January 2025. The event was a great success, with Mr. K.Vasanth Kumar, Executive Alumni of IIM Indore and Mr.Krishna Arjun, Marketing Executive, delivering an insightful keynote on pursuing higher education, preparing for entrance exams, and strategies for getting into top B-schools.

NATIONAL LEVEL TECHNICAL SYMPOSIUM

The Department of EEE has organized **National Level Technical Symposium “RESONANCE’25”** on 4th April 2025. The event was a great success, with **Dr.R.Krishnamurthy, Assistant Professor, Indian Institute of Information Technology (IIIT)-Trichy** as a resource person. He delivered an insightful keynote. Participants from various colleges are actively registered and participated. The following events such as Paper presentation, Poster presentation, BGM finding and Circuit debugging are conducted successfully.

INTERNATIONAL CONFERENCE

The Department of EEE & ECE has jointly organized an International Conference on Power Systems & Communication Engineering (ICIRIST) on 25th April 2025. The event was a great success, with Mr. B.Sankar Madaswamy, Manager, HRD (ISTRAC)-Bangaluru and Dr. Mr. Satheesh Kumar Sampath, Department of Engineering, University of Technology & Applied Sciences-Muscat delivering an insightful keynote.

Our EEE final year students **Ms.Sobiya, Ms.Vishpriya, Ms.Susmitha** had presented a project in the title of **“Enhanced Smart Safety Helmet for Industrial workers”** in final review of **Nan Muthalvan NIRAL THIRUVIZHA** organized by Government of Tamilnadu at BIT campus, Anna University, Tiruchirappalli with **Rs.10,000** funding.

- Our EEE final year students **Mr.J.Gowtham, Mr.R.Gowtham, Mr.K.Karthikeyan, Mr.S.Vinayagaragunathan** submitted a project proposal in the title of **”IoT based fire accident minimisation in EV with multiple fault detection using AI”** is selected and funded with **TNSCST** by an amount of **Rs. 7500**. The concerned project guided by **Dr.M.Parameswari/HoD/EEE**.
