NEWSLETTER AUGUST 2022 TO FEBRUARY 2023

DEPARTMENT OF INFORMATION TECHNOLOGY (INFOSOFT)

VISION

- ✚ To achieve excellent standards of quality education by keeping pace with rapidly changing technologies.
- ✚ To create technical manpower of global standards with capabilities of accepting new challenges in Information Technology.

MISSION

To provide students with the fundamental knowledge, interdisciplinary problem solving skills, societal and confidence required for excelling in their chosen professions.

ABOUT THE DEPARTMENT

Established in the year 2001, with the well-knit faculty demonstrating high professionalism puts the graduating engineers. The Department faculty members are specialized in software engineering, Data mining, Computer Networks, Soft Computing, Data Science, Network Security, Cyber Security, Big Data Analytics, Image Processing, the institution is conferred with the autonomous status in 2020 and Re-accredited with 'A' Grade by NAAC. The curriculum is framed to cater to the requirements of both industry deployments for recent trends and research activities. Department got Permanent affiliation from Anna University in the year 2012. Overall strength of the Department in the Academic year 2021 - 2022 is 165. The Department is the member of three professional societies namely SDIWC, ITEEA, CSTA.

GOALS

- Prepare the students to lay their hands and feet in designing and developing the information technology trends of their life.
- Motivate Faculty for Societal oriented Research.
- Provide Good infrastructure and educational resources for students to help in self learning and best practices.
- Enriching Employability and Entrepreneurial Skills.
- Adapting changes for Sustainable Development.
- Motivate students to help in creating social awareness among the stakeholders on the commitment and accountability.
- Motivating the students for their placement activities and extracurricular activities.
- Motivating the students to join in various Professional Societies.

PROPOSAL APPLIED

- Ministry of Electronics & Information technology (MEITY) in the title of "Speech Processing of Tamil language with back propagation Neural network and semi supervised training".

FACULTY SPOTS

JOURNAL ARTICLES PUBLISHED

- ✚ Dr.R.Sharmila, HOD / IT, “Modified Buffalo Optimization with Big data analytics with Assisted Intrusion Detection Model, “Computer Systems Science and Engineering Journal, Vol.46, No.2, 2023.

PATENT PUBLISHED

- ✚ Dr.R.Sharmila / HOD / IT, Patent Published on “Neural Network for ECG Anomaly Detection in IOT environment”, Issue Number: 52/2022, published on 31/12/2022.
- ✚ Dr.R.Sharmila / HOD / IT, Patent Published on “Implementation of Machine Learning and IOT for early warning and detection of earthquakes in coastal area”, Issue Number: 11/2023, published on 17/03/2023.

FACULTY CONTRIBUTION

- ✚ Dr.R.Sharmila / HOD / IT, Acted as a Resource person for thr FDP on “Pedagogy of Teaching and Innovative Teaching methodologies” at Podhigai College of Engineering and Technology on 6th February 2023.
- ✚ Mr.S.Saravanan / Assistant Professor / IT, Presented a paper in International Conference on “Artificial Intelligence using 5G Network” at B.S. Abdur Rahman Crescent Institute of Science and Technology, Chennai on 18th and 19th November 2022.
- ✚ Mr.S.Saravanan / Assistant Professor / IT, Presented a paper in International Conference on “Automated News classification Using Machine learning” at Sai Ram Institute of Technology, Chennai on Chennai on 14 December to 16 December 2022.

Ph.D., REGISTERED

- ✚ Mr.M.Ramu / Assistant Professor / IT Registered Ph.D., in Dhanalakshmi Srinivasan University, Samayapuram.

PROFESSIONAL SOCIETY MEMBERSHIP

- ✚ Mr.D.Vijayakumar / Assistant Professor / IT, Life Member of “International Association of Engineers” (IAENG).
- ✚ Mr.D.Vijayakumar / Assistant Professor / IT, Life Member of “The Society of Digital Information and Wireless Communication” (SDIWC).
- ✚ Mr.D.Vijayakumar / Assistant Professor / IT, Life Member of “Computer Science Teachers Association” (CSTA).
- ✚ Mr.M.Ramu / Assistant Professor / IT, Life Member of “International Association of Engineers” (IAENG).

- ✚ The Department of Information Technology Organized a Webinar on “**Cyber security and its challenges**” was conducted on 08.01.2023. Resource Person: **Dr.S.Jayanthi, Professor & Head, Department of Information Technology, Gurunanak Institute of Technology, Hyderabad.**
- ✚ Today cybersecurity is the main component of the country's overall national security and economic security strategies. In India, there are so many challenges related to cybersecurity. With the increase of the cyber-attacks, every organization needs a security analyst who makes sure that their system is secured. These security analysts

face many challenges related to cyber security such as securing confidential data of government organizations, securing the private organization servers, etc.

- ✚ Students gave positive feedback and they share their Experience for attending Webinar.
- ✚ This webinar was more useful for all the students especially for third year students to know about the Cyber security.
