Report for National Level Technical Symposium-UNIQUE 2K25

The National Level Technical Symposium **UNIQUE-2K25** on **27.3.2025** was organized by the Department of Computer Science and engineering at DSEC, Perambalur.

UNIQUE 2K25 is organized with the objective of bringing together Researchers, Developers and practitioners from academia and industry working in all areas of computer and communication technology. The symposium is indented for UG & PG students, It also paves a way for converging various technologies.

A total of about 68 technical papers were received from undergraduate students, covering a wide spectrum of areas, viz. AI Techniques, Cloud computing, Bitcoin & Crypto currency, Grid computing and Data science for Python many more. These papers were peer reviewed by technical experts and about 20papers have been selected for presentation. This volume is a record of current research in the field of issues and trends in advanced computing and it is hoped that it will be a trigger for expanding the realms of research.

The Symposium was inaugurated in the presence of our Chairman Shri.A.Srinivasan ayya , Principal Dr.D.Shanmugasundaram, Dean Academics Dr.K.Anbarasan, chief guest **Dr.S.Kanchana**, Assistant Professor, Department of Computer Science and Engineering ,Faculty of Science and Humanities, SRM Institute of Science and Technology, Kattankulathur, Chennai.

Dr.R.Gopi HOD/CSE welcomed the gathering and Symposium overview was given by **MrsT.Geetha**. The symposium proceeding was released by the chief guest **Dr.S. Kanchana** and received by the Principal, Vice Principal ,Dean and it is distributed among the dignitaries.

The chief guest **Dr.S. Kanchana delivered the feliciatation address and she insisted the students to do complete more number of online courses and to use AI tools like chat GPT Gemini etc for effective learning. She motivated the students to know about the current technological developments and the need of industry.**

The technical session of UNIQUE 2K25 was chaired by **Dr.S.Kanchana, AP**, Department of CSE,SRM University, Chennai,. Totally 46 technical papers have been presented.

Multimedia presentation and Codethan events were also organized with more than 39 participants. Prize winner were selected based on evaluation metrics and cash awards were distributed along with certificates. Finally the event with ended vote of thanks and National Anthem.

Glimpses of the event

Inaugural Session:

Technical session - Paper presentation

Technical session - Codethan

Technical session - Multimedia presentation

Certificate Distribution
