- ii. PMAC has directed that IAs shall properly evaluate Design projects as in some projects it was found MSME has proposed it self as Designers which is not as per scheme guidelines and higher Designers fees has proposed for the projects. IA should also ensure that the Designer should be available till the project gets complete.
- iii. Further, PMAC was also of the view that the Designers fees should be kept minimum and prototyping cost should be kept maximum in the upcoming new projects. The IAs should also ensure that the proposed Designers along with the MSME should also be invited during the PAP meeting and his credentials should also be verified to ensure whether he has expertise to support that project.
- iv. IA shall not considered those projects in which the MSME has proposed it self as Designer or project cost has been proposed for purchase of machinery/ equipments/ production activities.

The meeting ended with vote of thanks to the Chair.
