**Esteemed Chancellor Shri.A. Srinivasan
Dhanalakshmi Srinivasan University**

Message from the Esteemed Chancellor

It gives me immense pleasure to share my message for this edition of the Dhanalakshmi Srinivasan Engineering College Newsletter, highlighting academic, research, and co-curricular achievements from January to December 2025. This publication reflects the dedication of our students, faculty, and staff toward excellence and innovation. I am pleased to note the diverse activities, including workshops, expert lectures, patents, publications, placements, NPTEL certifications, and club initiatives. The active participation of students in symposiums, internships, and professional events demonstrates the vibrant learning culture on our campus. May these achievements motivate our community to continue striving toward our vision of cultivating globally competent professionals and socially responsible citizens.

My best wishes to all.

With warm regards,

Chancellor

Message from the Principal

At DSEC, each year marks growth, resilience, and meaningful achievement. This newsletter, covering January to December 2025, reflects our vibrant academic environment shaped by dedicated faculty and enthusiastic students. I extend my sincere gratitude to our Hon'ble Chancellor, **Shri. A. Srinivasan Ayya**, whose visionary leadership guides us toward excellence and inspires high standards in teaching, research, and student development. I also appreciate the committed efforts of our faculty and the active participation of our students, whose contributions enrich this edition. The initiatives highlighted—from academic achievements and research milestones to cultural events, internships, and NPTEL successes—show our collective progress and inspire us to advance with renewed purpose.

Warm wishes to all.

Warm regards,

Principal

About the College

Our Dhanalakshmi Srinivasan Engineering College (An Autonomous Institution), established in 2001 at Perambalur, Tamil Nadu, has successfully completed 24 years of dedicated service in education and proudly enters its 25th year in 2025, marking the **Silver Jubilee Celebration** of the institution. Our Institution is accredited with 'A Grade' by NAAC. Our Institute is conferred with Autonomous status from UGC and Anna University for a period of ten years. Departments of AERO, BME, CSE, ECE, EEE, IT and MECH are accredited by NBA. Our Institution is run by the Silver Jubilee celebrated Group of Dhanalakshmi Srinivasan Charitable and Educational Trust, Perambalur, Tamil Nadu. Our endowed Educational trust started the college with motto of promoting Engineering / Technical Education to the Students in rural area of the backward Districts of Tamil Nadu. Our Institution offer 11 UG Programme and 6 PG Programme.

The aspirants of our Institution, both Faculty and Students, remain vibrant in embracing cutting-edge technologies in their respective fields, supported by regular Professional Society and Club activities. The College provides ample opportunities through service-oriented programmes organized by NSS, the Fine Arts Association, and the Student Care Centre, along with Rain Water Harvesting units established for societal benefit. The Human Resource Development Centre ensures strong placement support for students of all departments. With the significant milestone of Autonomy, we are working together for the holistic development of our students and have introduced Skill-based Modules that equip them with diverse learning opportunities, making them employable and responsible citizens of the nation. Our campus offers excellent infrastructure with lush green surroundings, well-equipped laboratories, smart classrooms, and separate hostels for boys and girls providing multi-cuisine food. The institution also offers 24-hour Wi-Fi facilities and a centrally located, fully air-conditioned auditorium with a seating capacity of 2500 and state-of-the-art amenities..

Vision and Mission

Vision

- An active and committed centre of advanced learning focused on research and training in the fields of Engineering, Technology and Management to serve the nation better.

Mission

- To develop eminent scholar with a lifelong, follow up of global standards by offering UG, PG and Doctoral Programmes.
- To pursue Professional and Career growth by collaborating mutually beneficial partnership with industries and higher institutes of research.
- To promote sustained research and training with emphasis on human values and leadership qualities.
- To contribute solutions for the need based issues of our society by proper ways and means as dutiful citizen.

The Department of CSE organized Student Enrichment Programs on Microsoft Power BI by III Year CSE-C student, and on Offensive Security and Technology Info by II Year CSE-C students.

During the Student Enrichment Program, third-year Biotechnology student Ms. Rajapriya A.R. presented her internship report on PCR and RT-PCR on 29.01.2025, highlighting their applications and her hands-on experience.

During the Student Enrichment Program on 29.01.2025, third-year Biotechnology student Ms. Iswarya S presented her internship report on Genomic DNA Isolation, explaining the extraction process and its analysis techniques.

During the Student Enrichment Program on 29.01.2025, third-year Biotechnology student Mr. Ahamedhulla J presented his internship report on the Sanger Sequencing Method, explaining its principle, process, and applications in genetic research and evolutionary studies.

During the Student Enrichment Program on 29.01.2025, third-year Biotechnology student Mr. Dharmaraj E presented his internship report on Pipette Handling, highlighting its types, proper techniques, and the importance of precision in laboratory experiments.

Mr. NaveenKumar R, a third-year Biotechnology student, presented his internship report on Agarose Gel Electrophoresis during the Student Enrichment Program held on 29.01.2025. His presentation detailed the technique's principle, including gel preparation, sample loading, and DNA visualization using Ethidium Bromide.

Mr. Arun Kumar K, a third-year Biotechnology student, presented his internship report on Pipette Handling during the Student Enrichment Program held on 20.02.2025. He discussed the types of pipettes, calibration, proper handling, and best practices to ensure accuracy in laboratory experiments.

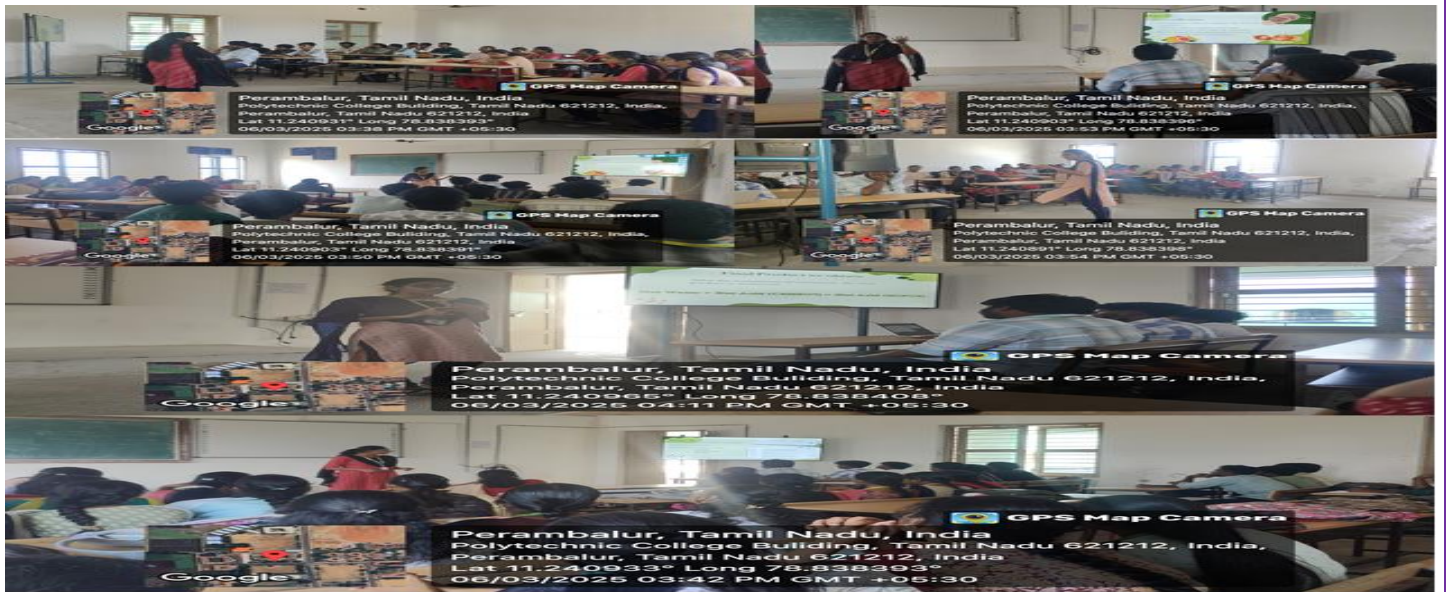

Ms. Kavibala K, a third-year Biotechnology student, presented her internship report on Genomic DNA Isolation during the Student Enrichment Program on 20.02.2025, explaining the DNA extraction process and quality assessment techniques.

Mr. Jayaprakash S, a third-year Biotechnology student, presented his internship report on PCR and RT-PCR during the Student Enrichment Program on 20.02.2025, covering their principles, applications, and his hands-on experience.

Ms. Shinikka J, a third-year Biotechnology student, presented her internship report on the Sanger Sequencing Method during the Student Enrichment Program on 20.02.2025, explaining its principle and applications in genetic research and evolutionary studies.

During the Student Enrichment Program on 06.03.2025, third-year Biotechnology students Ms. Abirami T, Ms. Kaviyaashree G, Ms. Rakshini S, and Mr. Lakshmipathy J presented their research on using coconut coir for plant tissue culture, biomolecule extraction, and computational biology, highlighting its sustainable and eco-friendly applications.

During the Student Enrichment Program, third-year Food Technology students Shiva Rathinam S, Dias Marshal P.M., Nandhakumar T, Chandru R, Antony Sunny, Gokulnath M, and Aravinth L presented their GIAN course experience at NIT Rourkela on sewage waste and crab-based sustainability. Organized by the Department of Food Technology on 28.01.2025.

During the Student Enrichment Program, Ms. Elin Prathiksha P, a third-year Food Technology student, gave a presentation on flavor development in food products, highlighting techniques, advancements, and its significance in the food industry. Organized by the Department of Food Technology on 06.02.2025.

During the Student Enrichment Program, third-year Food Technology student Mr. Chandru R presented on Personalized Nutrition, highlighting the importance of tailoring diets to individual health, genetics, and lifestyle, and how technology supports customized plans. The session was organized by the Department of Food Technology on 06.02.2025.

During the Student Enrichment Program, third-year Food Technology student Ms. Mahalakshmi V presented on fermentation techniques in food preservation and probiotics, highlighting their role in shelf life extension, food safety, and nutritional improvement. The session was organized by the Department of Food Technology on 06.02.2025.

During the Student Enrichment Program, third-year Food Technology student Mr. Antony Sunny presented on Functional Foods, covering their definition, benefits, and health-promoting roles. The session was organized by the Department of Food Technology on 20.02.2025.

Third-year Food Technology student Ms. Pandieswari N presented on automation and robotics in food processing during the Student Enrichment Program, focusing on how smart sensors and AI enhance efficiency, safety, and quality. The session was organized by the Department of Food Technology on 20.02.2025.

During the Student Enrichment Program, third-year Food Technology student Mr. Sukash S presented on 3D Food Printing, highlighting its role in personalized nutrition, reducing food waste, and revolutionizing food production. The session was conducted by the Department of Food Technology on 20.02.2025.

During the Student Enrichment Program, third-year Food Technology student Ms. Sathyapoorani J presented on innovations addressing global food security and sustainable protein production. The session was conducted by the Department of Food Technology on 20.02.2025.

During the Student Enrichment Program, third-year Food Technology student Mr. Dias Marshal P.M. presented on smart packaging and food safety, highlighting advancements that enhance food quality and consumer protection. The session was organized by the Department of Food Technology on 06.03.2025.

During the Student Enrichment Program, third-year Food Technology student Ms. Srinithi S presented on space food technology, covering challenges and innovations in preservation, nutrient optimization, and sustainability. The session was organized by the Department of Food Technology on 06.03.2025.

During the Student Enrichment Program, third-year Food Technology student Mr. Gowtham K.S. presented on food waste management, emphasizing reduction, sustainable disposal, and innovative valorization strategies. The session was organized by the Department of Food Technology on 06.03.2025.

Mr. Umar Farook S. and Mr. Adhithyan, III Year Mechanical Engineering students, delivered sessions on Magnetic Abrasive Finishing and Chemical Abrasive Finishing during the Student Enrichment Programme on 18th March 2025. They explained the principles, industrial applications, and advancements in ultra-precision finishing processes. The interactive sessions enriched participants' understanding of non-conventional machining techniques.

All are welcome

On 13th October 2025, the Department of Electrical and Electronics Engineering (EEE) organized a Students Enrichment Programme. Three II-year students, Mr. R. Thillaiganesh, Mr. A. Mohammed Suhail, and Mr. R. Dharaniyarasan, presented sessions on “RFID for Attendance,” “Harmonic Analysis,” and “Mini Project Presentation,” respectively.

The Department of Management Studies conducted a Student Enrichment Program to enhance the skills of MBA II-year students. On 23.09.2025, A. Jeevitha and T. Kowsalaya presented on advanced business strategies and leadership techniques, providing valuable insights into the field of management.

The Department of Civil Engineering organized a Student Enrichment Program on 13.08.2025, during which M. Dhivaydarshini and M. Nithya of III Year Civil presented sessions on Design of Green Buildings and Water Conservation Techniques.

The Department of Food Technology organized a debate on B.Tech vs. B.Sc. Food Technology on 23 August 2025, where students presented strong arguments highlighting the academic and career advantages of both programs. The session concluded with guidance from Dr. K. Kalanithi, who emphasized that skills and knowledge matter more than the degree chosen. Students found the session informative and helpful for career planning.

The Department of Food Technology conducted a Student Enrichment Programme on 26 August 2025, where II-year students presented mind maps on Food Hierarchy and Its Benefits. A total of 38 students participated. Presenters included Harish Kumar M., Sanjaikumar J., Gokulakrishnan V., Suganthi S., Sathya E., and Ramya S.

During the Student Enrichment Programme on 23.08.2025, Jayasuriya M, a third-year student of the Department of Aeronautical Engineering, delivered a session on Recent Developments in Aerospace.

Faculty Enrichment Programs

A Faculty Enrichment Programme was conducted on 25.01.2025, titled “Overview of Recent Innovative Research Topics,” with a presentation by Ms. A. K. Nivedha, Assistant Professor, Department of BME.

A Faculty Enrichment Programme on “Overview of SDC in Regulatory Aspects in the Field of Biomedical Engineering” was held on 08.02.2025, led by Mrs. S. Krishnapriya, Assistant Professor, Department of BME

The Department of CSE organized a Faculty Enrichment Programme on “Business Intelligence and Analytics” on 25.01.2025, delivered by Mrs. B. Deepika, Assistant Professor.

The Department of CSE organized a Faculty Enrichment Programme on “Business Intelligence and Analytics” on 08.02.2025, delivered by Mr. G. Arun, Assistant Professor, CSE.

A Faculty Enrichment Programme on “Data Analytics Using Python” was conducted by the Department of CSE on 25.01.2025. The session was handled by Ms. A. Suviga, Assistant Professor, CSE.

Dr. A. Yogeshwaran, AP/ECE, presented on “Introduction to Semiconductors” on 29.03.2025 during the Faculty Enrichment Program.

Mr. R. Prakash, AP/ECE, presented on “Research on 6G Antenna” on 29.03.2025 during the Faculty Enrichment Program.

On 29.03.2025, Mr. T. Boopathy, Assistant Professor/ECE, shared insights on “Industry 5.0” during the Faculty Enrichment Program.

Mrs. S. Sasikala, Assistant Professor/ECE, presented on “Awareness about Ph.D” on 29.03.2025 during the Faculty Enrichment Program.

On 29.03.2025, Mrs. M. Noorjahan, Assistant Professor/ECE, delivered a talk on “Biomedical Antenna” during the Faculty Enrichment Program.

Mrs. A. Parimala, Assistant Professor/ECE, shared insights on “Securing IoT Devices to a Connected World” during the Faculty Enrichment Program held on 29.03.2025.

On 29.03.2025, Mrs. B. Sujitha, Assistant Professor/ECE, delivered a talk on “Image Processing” during the Faculty Enrichment Program.

On 29.03.2025, Mrs. R. Gayathri, Assistant Professor/ECE, delivered a talk on “Paper Battery” during the Faculty Enrichment Program.

Mr. K.P. Suresh from the Department of Aeronautical Engineering delivered a session on "Design Parameters of Solar Airships" during the Faculty Enrichment Programme held on 04.02.2025.

The Department of CSE organized a Faculty Enrichment Programme on “Quantum Computing” on 02.08.2025, delivered by Mrs. R. Surya, Assistant Professor, CSE.

The Department of CSE organized a Faculty Enrichment Programme on “Normalization” on 02.08.2025, delivered by Mrs. T. Rubiya, Assistant Professor, CSE.

The Department of CST conducted a Faculty Enrichment Programme on “IoT” on 02.08.2025. The session was delivered by Mrs. R. Arunapriya, Assistant Professor, CST.

The Department of CST organized a Faculty Enrichment Programme on “Penetration Testing” on 02.08.2025, delivered by Ms. R. Vidhyasri Deivanai, Assistant Professor, CST.

The Department of Food Technology organized a debate on “Processed Food vs. Nutritional Food” on 26 August 2025.

Team 1 – Nutritional Food (Srinithi A, Nisha M, Shobana K) emphasized the importance of fresh and balanced foods in maintaining good health. They highlighted how natural, unprocessed foods help prevent lifestyle diseases and provide essential nutrients that support overall well-being. They also stressed that consuming seasonal and locally available foods enhances nutritional quality and supports sustainable eating habits. Furthermore, the team pointed out that mindful eating practices and choosing whole foods contribute to long-term physical and mental health.

Team 2 – Processed Food (Akash A, Hariharan P, Praveen Kumar R) argued that modern processed foods are safe, fortified, and highly convenient. They pointed out that processed foods offer affordability, longer shelf life, and year-round availability, making them practical for busy lifestyles.

Alumni Interaction Programs

On 06.02.2025, BME alumna Ms. B. Bhavani (2021), now working as Cardiac Technician at Healthwatch Telediagnosics, spoke on biomedical engineers' roles.

On 08.02.2025, BME alumna Ms. Arundhathi (2021), now Lead Engineer at HCL Technologies spoke on medical coding.

An Alumni Interaction on “How to Approach Core Companies as a Fresher” was conducted on 10.03.2025. The session was delivered by 2021 batch graduates Mr. Navaneetha Krishnan and Mr. R. V. Udhayakumar, Service Engineer from Gen Work.

On 11.03.2025, an alumni interaction on “How to Work with Medical Billing Outsourcing Companies” was conducted. Ms. Kiruthika D, Medical Coder from Medcode Services, interacted with the students.

The Department of ECE organized the Alumni Webinar Series titled “**Career Strategies for the Future**” on 01.02.2025. Alumni speakers included Mr. Ashutosh Kumar (2009-2013), Key Accounts Manager, Bosch Limited, Ahmedabad; Mr. A. Sathish (2013-2017), Senior Infrastructure Engineer, Mariapps and Marine Solutions Pvt Ltd, Pondicherry; Mr. G. Prabakaran (2006-2010), Procurement Team Lead, Jabil Circuit India Pvt Ltd, Pune; Mr. K. Selvaganapathy (2016-2020), Technical Consultant, Insueta Technology Pvt Ltd, Bangalore; Mr. R. Gopinath (2011-2015), Genesys Cloud Architect, Connex Telecommunication, Mumbai; and Mrs. C. Sabitha (2017-2021), Branch Post Master, India Post, Ariyalur. The event was coordinated by Mr. T. Boopathy, Assistant Professor/ECE, who introduced the alumni and highlighted the significance of alumni engagement. Around 200 students participated, gaining valuable insights into career growth, industry trends, and networking opportunities.

The Department of EEE organized an Alumni Interaction on January 28, 2025. Mr. Vengatesh, Power Engineer at Chennai Silks, Vellakoil, delivered a session on “Installation of Solar Power System.

The Department of EEE organized an Alumni Interaction on March 25, 2025. Mr. N. Mohaideen, Electrical Engineer at Q Tech Electrical Engineering, Qatar, delivered a session on “Testing and Commissioning.

On 12.03.2025, the Department of Biotechnology held an online alumni session with Ms. Bharathi Balu, a medical coder, who shared insights on medical coding, the IP-DRG system, career opportunities, and industry trends with second- and third-year students.

Alumni Mr. Harish Raghul (Aerospace, 2019–2023) and Mr. Vinoth (Robotics, 2019–2023) visited on 04.02.2025 for an Alumni Interaction Program and engaged with current students.

The Department of Agricultural Engineering organized an Alumni Interaction Program on 07.08.2025. Ms. A. Megavarshini from the 2021 batch interacted with the students and shared valuable insights on the banking sector and the opportunities available for agricultural engineers.

Our alumni Rijoy P M, Nithin P Laiju, and Ujwal Ullas from the 2020–2024 batch, currently working at Vision Process, Bangalore, conducted an interaction session on 26 September 2025 on “Hospital Service and Maintenance.”

An Alumni Interaction Session held on 10 October 2025 featured our alumnus Dhaanush (Batch 2025), who shared valuable insights on “Freelancing Opportunities and Career Growth” and guided students through the evolving world of freelancing.

The Department of Electronics and Communication Engineering organized an insightful Alumni Webinar Series titled “From Lab to Fab: Startups in Semiconductors & Electronics” on 12th August 2025. The webinar aimed to inspire current students by sharing real-world experiences of alumni who have made significant strides in the semiconductor and electronics industry.

The Department of Electrical and Electronics Engineering, Dhanalakshmi Srinivasan Engineering College, organized an Alumni Interaction Program on 8th August 2025 at 11:00 AM. Mr. Gowtham, Automation Developer at NISSI Engineering Solutions Pvt. Ltd., Chennai, delivered a session titled “Industry Exposure in Automation.” Over 95 students attended and actively participated.

The session bridged the gap between academic learning and professional expectations, inspiring students through success stories and valuable guidance from our esteemed alumnus. It provided a platform for students to gain insights, experiences, and career advice from a successful industry professional.

The Department of Food Technology, DSEC (A), organized an Alumni Interaction Session with Ms. Harini, Food Safety Auditor, on 21 August 2025. About 75 II and III Year students participated. Ms. Harini shared insights on certification courses, ISO standards, and career opportunities after B.Tech. Students found the session informative, motivating, and career-focused.

Club Activities

The Department of Electronics and Communication Engineering organized a club activity called “Circuit Auction” on 23.01.2025 for II year ECE A students to boost their subject understanding and technical abilities.

The Department of Electronics and Communication Engineering conducted a club activity titled “Circuit Cipher and Name the Circuit” on 24.01.2025 for II year ECE B students. The event was designed to challenge participants’ problem-solving skills, creativity, and electronics knowledge in a fun and competitive environment.

The Department of Electronics and Communication Engineering organized a club activity titled “Technical Quiz” on 24.01.2025 for II year ECE C students. This activity aimed to enhance students’ technical knowledge and problem-solving skills.

The Department of Electronics and Communication Engineering organized a Professional Society Activity for second-year students on 30.01.2025. The event provided practical experience with various communication systems, electronic circuits, and technical challenges. Students participated enthusiastically and demonstrated great skill throughout the program.

The Department of Electronics and Communication Engineering organized a club activity titled “Technical Talk” delivered by Mr. Prasath P on 07.02.2025 for II year ECE B students. The talk focused on scam awareness, educating attendees about various types of scams, their impact, and ways to stay protected. The session was interactive, informative, and included real-life examples to enhance understanding.

The Department of Electronics and Communication Engineering organized a club activity titled “Technical Quiz” on 05.02.2025 for III year ECE A students. The quiz focused on scam awareness, educating participants about different types of scams, their impact, and ways to stay protected. The session was interactive, informative, and included real-life examples to enhance understanding.

The Department of Electronics and Communication Engineering organized a club activity titled “Connection Quiz” on 04.03.2025 for II year ECE B students. This activity aimed to enhance visual interpretation, pattern recognition, and logical thinking skills. It is widely used in educational settings, corporate events, and trivia competitions.

The Department of Electronics and Communication Engineering organized a club activity titled “Visual Puzzle Quest” on 09.04.2025 for III year ECE A students. The activity challenged participants to solve cleverly designed visual puzzles, including optical illusions, riddles, pattern hunts, and cryptic images.

On 01.02.2025, the BME Department conducted a one-day seminar where Mrs. S. Krishnapriya presented on “Advanced Equipment to Assist Cardiac Treatment” for 3rd-year Biomedical students. On 01.02.2025, Ms. T. Gomathi conducted a seminar on “Applications of Biomechanics in Accident Investigation” for final-year Biomedical students.

The faculty members of the Department of Management Studies organized a Faculty Enrichment Program titled “Enhancing Research Skills” on 08.03.2025.

The Department of Electronics and Communication Engineering conducted an exciting club activity titled “BRAINBLITZ” on 24.09.2025. The event was designed to challenge the intellectual capabilities of students and provide a platform where knowledge meets creativity.

The Department of Electronics and Communication Engineering organized a JAM (Just A Minute) Session/Public Speaking activity on 17th September 2025 for III Year ECE-B students. The event aimed to develop students' communication skills, critical thinking, and confidence in expressing their ideas spontaneously. To address this need, the department conducted the session to provide a platform for students to practice public speaking in a supportive and interactive environment.

The Department of Electronics and Communication Engineering organized a club activity titled "Sharing Business Ideas" on 26.09.2025 at B-Block 106, conducted by students P. Sabareeshwaran, S. Vijayasarithi, and A. Randhip. The objective of this activity was to promote entrepreneurial thinking, idea generation, and professional communication skills among the club members.

The Department of Electronics and Communication Engineering organized club activity on Technical Training Program by the student on 12.09.25. The session was designed as a short, focused training activity to familiarize students with commonly used shortcut keys that improve efficiency in using software tools and also to introduce participants to learn basic coding commands and functions in software environments.

The Department of Electronics and Communication Engineering organized a “PS Activity” titled “Debate” for II Year ECE-C students on 10.10.2025. As part of the activity, a debate competition was conducted on the topic “Online vs Offline Teaching.” The main objective of this event was to encourage students to think critically, express their opinions confidently, and analyze the advantages and challenges of both teaching modes.

The Department of Electronics and Communication Engineering organized an Internship Guidance Program for II Year ECE-C students on 19.09.2025 at B-Block 106. The program aimed to make students aware of the importance of internships in their academic journey and future careers. The resource person for this session was Ms. A. Parimala, AP/ECE, who delivered an insightful and motivating talk on internship opportunities, industry expectations, and career readiness.

Webinar on GitHub organized by the Department of AI and DS, delivered by Dr. K. Ulagapriya, Associate Professor, Vels Institute, Chennai, on 23.03.2025.

The AI&DS Department organized the symposium AI 'STHETICA' on 23.04.2025, under the guidance of Dr. Shree KVM (HoD) and Mrs. Parimala M.E. (Coordinator), showcasing diverse project ideas in an interactive environment.

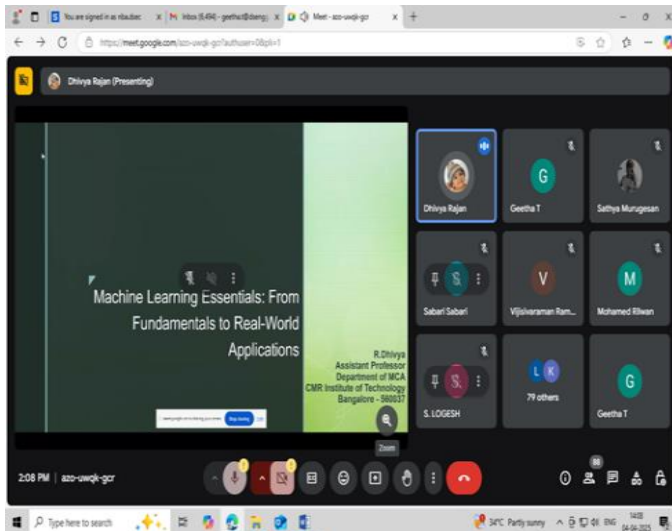

A two-day workshop on Artificial Intelligence and Data Analytics was held on February 21 and 22, 2025. It was conducted by Mr. Shaik Valli, Senior R&D Associate, and Mr. Yazh Singh S, Student Success Mentor, from Diya Edulabs Pvt. Ltd., Chennai.

A National Level Technical Symposium, UNIQUE 2K25, was organized by CSE and IT on March 27, 2025. Dr. S. Kanchana, Assistant Professor, SRM Institute of Science and Technology, Chennai, delivered the keynote address as the guest speaker.

The Department of CSE organized a webinar on "Machine Learning in Data Science" on 24.03.2025. The session was presented by Dr. S. Sivagami, Associate Professor, Saveetha School of Engineering, SIMATS, Chennai.

The CSE Department organized a webinar on "Machine Learning" on 04.04.2025, presented by Ms. R. Dhivya, Assistant Professor, Department of MCA, CMR Institute of Technology, Bangalore.

The CSE Department organized a National Workshop on Quantum Techniques in Machine Learning (N-QTML 25) on 25.04.2025, presented by Dr. S. Kannimuthu, Karpagam College of Engineering, and Dr. S. Sivagami, SIMATS, Chennai.

The Department of ECE, in collaboration with the Entrepreneurship Development and Innovation Institute, Tamil Nadu (EDII-TN), organized a seminar on "Idea Generation" on 20.01.2025 to encourage innovation and equip students with creative thinking skills in technology and entrepreneurship.

The Department of ECE organized a two-day workshop titled "Interfacing Peripherals with Arduino" on 22 and 23 April 2025 for III Year ECE students. The workshop provided hands-on, project-based learning. Students actively participated and showed great enthusiasm. On the final day, they showcased their Arduino-based mini projects, which were evaluated by a panel of faculty members, promoting innovation, practical skills, and teamwork.

The Department of ECE organized DECIBERTZ'25, a National Level Technical Symposium, on 21 March 2025. Our Chancellor, Ayya, had the honor of releasing the department souvenir. Dr. R. Parthasarathy from NIT Tiruchirappalli graced the event as Chief Guest. The symposium included technical sessions, paper presentations, and discussions on emerging technologies. Students from various colleges actively participated, making the event a great success.

The Department of Electronics and Communication Engineering (ECE) successfully signed a Memorandum of Understanding (MoU) with Rajan Robotics, Trichy, on 22.04.2025, laying a strong foundation for future collaborative projects for the students.

The Department of ECE successfully signed a Memorandum of Understanding (MoU) with Aeroknotz Drones India Pvt. Ltd., Chennai, on 02.04.2025, marking a significant milestone in our commitment to innovation and technological advancement. This collaboration aims to foster mutual growth and leverage cutting-edge drone technologies in areas such as aerial surveillance, mapping, and smart agriculture. Through this partnership, we look forward to joint research initiatives, skill development programs, and technology exchange that will not only benefit both organizations but also contribute to the broader drone ecosystem in India.

The Department of Electronics and Communication Engineering organized an invited talk on 'Campus to Corporate' on January 24, 2025. The session aimed to bridge the gap between academic learning and corporate expectations, preparing students for a smooth transition into the professional world.

Dr. A. Yogeshwaran, ASP, from the Department of Electronics and Communication Engineering (ECE) participated as a mentor in the Bootcamp of the School Innovation Development Project (SIDP 3.0), organized by the Entrepreneurship Development and Innovation Institute – Tamil Nadu (EDII-TN), held on January 30 and 31, 2025, at Government Arts and Science College, Veppanthattai.

The Department of ECE organized an 'Orientation Programme on Higher Studies and Entrance Exams' on 31st January 2025. The event was a great success, featuring insightful keynote sessions by Mr. K. Vasanth Kumar, Executive Alumni of IIM Indore, and Mr. Krishna Arjun, Marketing Executive. They shared valuable guidance on pursuing higher education, preparing for entrance exams, and strategies for gaining admission into top B-schools.

The Department of EEE conducted a seminar titled “Power Quality Issues and Solutions.” The session was presented by Mrs. M. Bhuvaneshwari on 21.01.2025. The event was held on time to help participants gain more subject knowledge and technical skills. More than 200 students actively participated.

The Department of EEE organized an Orientation Programme titled “*Career Guidance and Preparation for Competitive Exams*” on January 30, 2025. Mr. K. Vasanth Kumar, IIM Indore alumnus, and Mr. Krishna Arjun, Marketing Executive, delivered insightful talks on higher education, entrance exam preparation, and B-school admission strategies.

The Department of EEE organized the National Level Technical Symposium “*RESONANCE'25*” on April 4, 2025. Dr. R. Krishnamurthy, AP at the Indian Institute of Information Technology (IIIT), Trichy, served as the Chief Guest and delivered the keynote address.

Techno Fest 2025: Organized on 25th March 2025 by the Departments of Food Technology, Biotechnology, Pharmaceutical Engineering, and Chemical Engineering, this symposium provided a dynamic platform for students, researchers, and professionals to present their innovative work and foster interdisciplinary collaboration. The event was honored by the presence of Chief Guest Mr. K.K. Prasanth, Founder and CEO of Simbioen Labs and Scientific Services Pvt. Ltd., Chennai.

The Department of Food Technology hosted a vibrant Food Fest on 22.04.2025, featuring 23 stalls with innovative and traditional dishes. Second- and third-year students showcased their culinary creativity and skills, making the event a flavorful celebration of budding food technologists.

The Department of Information Technology conducted a two-day workshop on "Cyber Security and Artificial Intelligence" on 21st and 22nd March 2025 under the Intel India STEM Upskilling Program for Women, in collaboration with DIYA Edulabs Pvt. Ltd. and Blink Foundation, Chennai.

The Department of Information Technology organized a National-Level Technical Symposium, UNIQUE 2K25, on March 27, 2025. The event featured expert talks and technical competitions, with enthusiastic participation from students of various institutions.

Students from the Aeronautical, Mechanical, and Robotics streams actively participated in the six-day training on "Product Design Engineer Using Autodesk Fusion," organized by the Centre of Excellence in Design from 21 to 25 January 2025. The program, conducted by ICT Academy experts, provided hands-on experience in 3D modeling, simulation, and design validation.

The National Level Technical Symposium, held on April 4, 2025, was organized by the Departments of Aeronautical Engineering, Mechanical Engineering, and Robotics & Automation. Dr. D. Lenin Singaravelu, Professor, Production Engineering, NIT Trichy, served as the Chief Guest and shared insights on green fuels, aerospace technology, and automation. The event witnessed participation from over 200 students representing various institutions across the region.

Mr. T. Jayakumar, Assistant Professor, Mechanical Engineering, delivered an expert lecture on "Experimental Investigation on Algae-based Third-generation Biofuels, Engine Performance and Emission Analysis" on 05.04.2025, organized by the Department of Mechanical Engineering, Sir Issac Newton College of Engineering and Technology.

The Department of Management Studies organized an "Investor Awareness Program" for first-year MBA students on 06.02.2025. The session was offered by Sanjeev Samriddhi from Angel One Ltd.

Students from the Department of Management Studies participated in “IDEATHON” on 28.02.2025 to develop business ideas and enhance their entrepreneurial knowledge.

The Department of Management Studies organized CHORTLE FEST 2K25 and the Department of Master of Computer Applications conducted LOGICA 25, National Level Symposiums held on 27th March 2025. The event featured Mr. Sivahari Rajendran, Research Associate, VIT University, Chennai, as the special guest, who shared valuable insights with the participants.

The Department of Master of Computer Applications organized a session on “How to Plan for Startup and Legal & Ethical Steps” on 04.04.2025, focusing on guiding students through the essentials of startup planning and legal considerations.

The Department of Master of Computer Applications organized a session titled “Code Crafters: Innovating Software Solutions for the Digital Age” on 25.04.2025, highlighting the latest trends and innovations in software development for the evolving digital landscape.

The Department of Biomedical Engineering organized a national-level technical symposium on April 17, 2025, inaugurated by Hon. Chancellor Shri. A. Srinivasan Ayya. Over 250 students from various institutions participated, showcasing projects and attending expert sessions.

The Department of Information Technology organized a webinar on 08.11.2025, where Ms. Sahana Selvaraj, Assistant Vice President, OCBC Bank, Singapore, delivered a session on “Cyber Security – Stay Away from the Cyber Threats.” Third-year IT students actively participated in the webinar.

Mr. R. Govindasamy, Head, Department of MCA, conducted an induction program for the first-year MBA students on the topic “How Computer Applications are Applicable to Business” on August 26, 2025.

The Department of Food Technology, DSEC, organized an online webinar on Cold Plasma in Food Processing in September 2025, attended by 120 students. Dr. Anirudh Patil, Scientist, Aaruni Life Science Pvt. Ltd., Bangalore, highlighted its applications in microbial decontamination, enzyme inactivation, packaging sterilization, and shelf-life extension. Students found the session insightful and inspiring for sustainable food processing.

The Department of Food Technology, DSEC, conducted a FoSTaC program on Basic Manufacturing under FSSAI guidelines on 8 August 2025, attended by 110 students. Ms. M. Suganya, Trainer, Parikshan Pvt. FSS Ltd., Chennai, highlighted Good Manufacturing Practices, hazard control, and compliance with food safety standards.

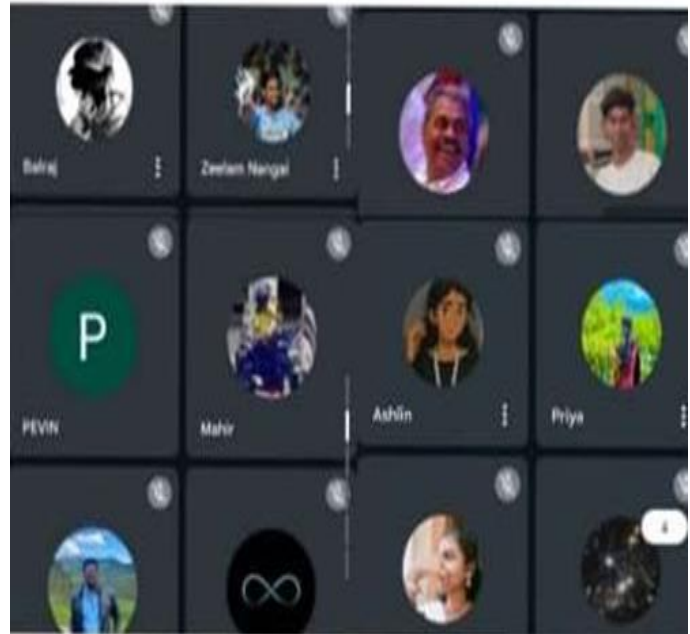

The Department of Food Technology celebrated World Food Day 2K25 with the theme “Hand in Hand for Better Food and a Better Future.” The event included an inaugural ceremony, lamp lighting, ribbon cutting, and interactive sessions. Students and faculty actively participated through presentations and displays, promoting awareness of food safety, nutrition, and sustainable food practices.

The 'Nimirndhu Nil' Faculty Development Programme was jointly organized by Dhanalakshmi Srinivasan Engineering College and EDII-TN under TNYIEDP from 18–20 November 2023. Faculty members from various colleges participated in interactive sessions aimed at enhancing their skills in entrepreneurship and innovation.

The Department of Aeronautical and Aerospace Engineering hosted an informative webinar on GATE preparation, conducted by experts from IITians GATE Classes, on Wednesday, 24th September 2025. The session was specially designed for third- and final-year students, offering valuable strategies, exam tips, and guidance to excel in the GATE examination.

On 12th August 2025, the Department of Aeronautical and Aerospace Engineering organized a webinar featuring Dr. M. Uthayakumar, Professor at Amrita Vishwa Vidyapeetham, Kollam, as the esteemed resource person.

Dhanalakshmi Srinivasan Engineering College organized a five-day Professional Development Program on "Innovative Pedagogical Approaches for OBE" from 08.12.2025 to 12.12.2025 in collaboration with NITTTR, Chennai.

A two-day business growth accelerator training programme titled “Nimirndhu Nil” was organized at Dhanalakshmi Srinivasan Engineering College (Autonomous) on 16 and 17 December 2025, under the Tamil Nadu Youth Innovation and Entrepreneurship Development Scheme. The training aimed to enhance entrepreneurial skills and innovative thinking among youth from Perambalur and Ariyalur districts, who have completed their education and are either running or aspiring to start their own businesses .

The ICT Academy – Infosys Foundation CSR Training Programme was inaugurated on 17 December 2025 at Dhanalakshmi Srinivasan Engineering College, Perambalur. The Honorable Chancellor of Dhanalakshmi Srinivasan University, **Shri A. Srinivasan Ayya**, inaugurated the programme, which includes a 100-hour Azure Artificial Intelligence course.

3. The expenditure involved will be met from within the sanctioned budget Grant of Ministry of Electronics & Information Technology under Demand No. 27 Major Head "2852" Industries, 07.102 R & D in Information Technology/Electronics/CC&BT, 06.00.49 - Other Revenue Expenditure for the year 2024-25.

M. Hemalatha

The Department of Computer Science and Engineering received a fund of ₹40,000 (Rupees Forty Thousand only) from the Ministry of Electronics and Information Technology (MeitY) to conduct a National Level Workshop on 'Quantum Techniques in Machine Learning – N-QTML 25'.

DSEC received ₹24.5 lakh under MSME Idea Hackathon 4.0 for two innovative projects. ₹13.5 lakh was awarded for "Aquatic Feed Production Using a By-product of Sericulture and Rice Milling" by S. Sanjai, mentored by Dr. D. Karthikeyan (Head/BME). ₹11 lakh was sanctioned for "AI-Powered IoT-Based Smart Box System for V2V Communication" by Mugeshwaran R, guided by Dr. B. Karthiga (Coordinator/IQAC). The Hon'ble Chancellor Shri A. Srinivasan congratulated the teams for their impactful work.

Final-year EEE students Ms. Sobiya, Ms. Vishpriya, and Ms. Susmitha presented their project titled "Enhanced Smart Safety Helmet for Industrial Workers" during the final review of the Nan Muthalvan Niral Thiruvizha, organized by the Government of Tamil Nadu at BIT Campus, Anna University, Tiruchirappalli. The project received funding support of **₹10,000**.

Final Year EEE Students Secure TNSCST Funding for Innovative Project

Final-year Electrical and Electronics Engineering (EEE) students—Mr. J. Gowtham, Mr. R. Gowtham, Mr. K. Karthikeyan, and Mr. S. Vinayagaragunathan—had their project proposal titled “IoT-Based Fire Accident Minimisation in Electric Vehicles with Multiple Fault Detection Using AI” selected for funding by the Tamil Nadu State Council for Science and Technology (TNSCST).

In recognition of the project’s innovative approach, the team was awarded a grant of **₹7,500**. The project was carried out under the guidance of Dr. M. Parameswari, Professor and Head, Department of Electrical and Electronics Engineering.

			Zonal Runner up	Sports Development Authority of Tamilnadu	13.10.2025

Ms. Kopperundevi T of IV Year BME has secured an All India Rank of 232 in GATE 2025 under the Biomedical Engineering stream, and an All India Rank of 3688 in the Biotechnology stream.

Mohammed Javid and Pradeep, final-year students from the Department of ECE, participated in an international conference held at Anna University, Chennai, on 18.12.2024 and secured first prize. The students met Dhanalakshmi Srinivasan University Chancellor, **Shri. A. Srinivasan**, on 21.01.2025, who congratulated them on their achievement.

Students from the Department of ECE – Vignesh G., S. Praveen Kumar, Kalaiarasan, Siva Balan, R. Pradheshwaran, and Askar – won first prize in the Inter-Zonal Handball Match held on 28th March 2025, as part of the DSU Olympia Sports Meet – 2025, organized at Dhanalakshmi Srinivasan University, Perambalur.

Mr. R. Pradheshwaran, a second-year B.E. student from the Department of ECE, participated in a Guinness World Record event on 14th April 2025 and secured the 45th position in the 5 km marathon held at Sathyamangalam.

Mr. R. Pradeshwaran (II Year B) Second-year Food Technology students participated in the Guinness World Record attempt organized by the World Karate Masters Association (WKMA). The event, held at Tamil Nadu Physical Education and Sports University, Chennai, on 08.02.2025, featured more than 2,000 karate athletes and successfully set a new Guinness World Record.

Archana V and Deepak R secured First Prize in the “Cooking Without Fire” competition at SNS Engineering College on 28th February 2025.

Second-year Food Technology students Saraswathi J and Srinithi A won Second Prize in the “Cooking Without Fire” competition at SNS Engineering College on 28th February 2025.

Second-year Food Technology students Priyadharshini J and Nisha M won Third Prize in the “Cooking Without Fire” competition at SNS Engineering College on 28th February 2025.

II-year Cyber Security students participated in a technical symposium held at KRCE on 08.05.2025. Six students competed in events like idea presentation, prompt engineering, and coding marathon, along with non-technical events such as meme marketing, clue sphere, and rapid fire. They secured 1st prize in meme marketing, 2nd prize in coding marathon, and 2nd prize in clue sphere, winning the overall championship.

Ms. R. Nithya, a final-year EEE student, received a cash prize of **₹1500** for securing a prize in the District-Level Thirukkural Reels Making Competition organized by the Government of Tamil Nadu on 13.03.2025.

Santhosh Kumar G from the Department of ECE, III Year C Section, won the first prize (gold medal) in Chess at the Anna University Zonal 14th Chess Tournament held at Sri Ramakrishna College of Engineering, Perambalur, on 17.10.2025.

Pravin K and Praveen Kumar from II Year ECE B secured the Runner-up position in the Zonal CM Trophy Basketball Match held at the District Collector Office Ground on 22,09.2025.

Mohammad Askar and his team from II Year ECE B Section won the Bronze Medal in the CM Trophy Handball Tournament held at the District Collector Office Ground on 03.09.2025.

BavinRaj D from II Year ECE A won the First Prize in BrainSpark at the National Level Technical Symposium E2VISION 2K25 held at Roever Engineering College, Perambalur, on 20.09.2025.

Ms. L. S. Rithikasharmathi and her team from II Year ECE C Section won the Second Prize in the event BrainSpark at the National Level Technical Symposium E2VISION 2K25 held at Roever Engineering College, Perambalur, on 20.09.2025.

Aadhira S, Bala Subramanian P. K., and Anusha P from II Year ECE A won the Third Prize in the Paper Presentation event at the National Level Symposium E2VISION 2K25 held at Roever Engineering College on 20.09.2025.

Mr. Abishek and his team won the Anna University Zonal Cricket Match and also the CM Trophy, held at Kongunadu Engineering College, Trichy, from 15.09.2025 to 19.09.2025.

BHUVAN SRIRAM FROM III ECE A have won bronze medal in Athletics 200m in TN-CM Trophy organized by Sports Development Authority of Tamil Nadu.

MBA students K. Sivasankari, R. Elakkiya, R. Madhumitha, A. Jayashree, O. A. Abdul Razith, K. Sanjay, K. T. Thiruselvan, S. Krithick Roshan, B. Sabari Raj, S. Sivaraman, R. Keerthivarman, R. Madhan, R. Shaik Aabith, A. Manoj Christopher, and P. Mohan were awarded the second prize with medals and certificates at the Hallata Zute-2K25 National Level Management Meet, conducted at Dhanalakshmi Srinivasan College of Arts and Science for Women on 14.10.2025.

Ms. Sharni Priya, Ms. Ayisha Fathima, Ms. Dharshini, and Ms. Nivetha, III-year Biotechnology students, won a prize at the World Food Festival 2025 for their presentation based on the event theme, conducted by the Department of Food Technology on 16 October 2025.

Mr. Viswabalan S, Mr. Manushnandhan S R, Mr. Akash A, and Mr. Deepak R, III-year Food Technology students, won 1st prize for their paper “Development and Evaluation of Spirulina Pineapple Elixir for Nutritional Enhancement” at the National Technical Symposium held at Paavai Engineering College on 7–8 November 2025.

Students from the Department of Food Technology were awarded during the World Food Festival 2025 held on 16th October: 3rd years Ms. Keerthana K., Ms. Rohini Y. S., Ms. Shobana K., and Ms. Srinithi A. for Collections; 2nd years Ms. Jenifer Rashana, Ms. Harishma, Ms. Swetha, and Ms. Tamizh for Event Theme; 4th years Ms. Gopika A., Ms. Keerthana V., Ms. Elin Prathikasha P., and Ms. Mahalakshmi V. for Nutritional Content; and Mr. Mohammed Ashif with Mr. Therneesh for volunteer service.

Mr. J. Ameer Hussain, a final-year Aeronautical Engineering student, won a medal and secured the 4th rank in the Mr. Tamil Nadu As Classic – 2025 competition organized by the Indian Fitness Federation

Ajitha V, I-year CSE student, excelled at the NSF Pro Lift Bench Press & Deadlift National Championship held at Aandham Haveli, Palwal, Haryana, on 22–23 November 2025. Representing Tamil Nadu in the 72 kg Junior Women category, she won a Gold Medal in Bench Press (32.5 kg) and a Silver Medal in Deadlift (110 kg).

Students Shine at CII Emergence – Shape Trichy’s Future 2025

Out of 64 participating teams, Dhanalakshmi Srinivasan Engineering College students Mr. Vignesh A., Mr. Thowfik Rahman S., Mr. Vigneshwaran M.S., and Mr. Tharakeshwar G. were selected for the 2nd Round and presented their innovative business idea at the 2nd Edition of CII Emergence – Shape Trichy’s Future, held on 31st October 2025. Dr. D. Shanmugasundam, Principal; Dr. A. Yogeshwaran, AP/ECE; and Dr. B. Karthiga, IQAC Coordinator also participated in the event, providing guidance and support to the students.

Twelve students and four faculty members attended the SEMICON Conference at Yashobhoomi, New Delhi.

Mr. Vignesh and Mr. Tharakeshwar exhibited their startup, Neuro AI, at the RoboNova event organized by Srinivasan College of Arts and Science, Perambalur.

Achievements and Recognitions

Dr. K. Anbarasan, Vice Principal, and Dr. B. Karthiga, IQAC Coordinator, received the Best Category Award from the Honorable Chancellor during the Founder's Day Celebration on 07.10.2025.

S. Karpagarajan, Assistant Professor, Department of Mechanical Engineering, successfully completed his Ph.D. viva voce at the College of Engineering, Guindy, Anna University, Chennai, on 29 July 2025.

R. Aarthy, Assistant Professor, Department of AI & DS, successfully completed her Ph.D. viva voce on 10 October 2025 at Crescent Institute of Science and Technology.

Dhanalakshmi Srinivasan Engineering College was honored with the Best Engaging Institution of the Year 2024–2025 at the ICT Academy Bridge Event, Madurai.

Prof. D. Vijayakumar, Head of Cyber Security, received the Best Coordinator Award from ICT Academy in recognition of his outstanding contribution.

Student Achievements in Technology Training and Certifications

- Received the Appreciation Award from MongoDB for the successful completion of courses by over 1,000 students.
- Learnathon: A total of 4,853 certifications were completed by students across platforms including Microsoft, Autodesk, Oracle, MATLAB, and more.
- Conducted Infosys AI Training for 65 final-year students.
- Trained 929 students in Power BI, Azure AI, and AWS Cloud Practitioner modules.

Dr. D. Katherasan Duraisamy has been elected as the Treasurer of the Society of Automotive Engineers (SAE), Trichy Division.

Elite

NPTEL ONLINE CERTIFICATION
(Funded by the MoE, Govt. of India)

This certificate is awarded to
PRABHU R
for successfully completing the course
Food Packaging Technology
with a consolidated score of **83 %**

Online Assignments	23.5/25	Proctored Exam	59.25/75
--------------------	---------	----------------	----------

Total number of candidates certified in this course: **1466**

Prof. Andrew Thangaraj
Chair
Centre for Outreach and Digital Education, IITM

Prof. Vignesh Muthuvijayan
NPTEL Coordinator
IIT Madras

 Indian Institute of Technology Madras

Roll No: NPTEL25GE65S644700085 To verify the certificate  No. of credits recommended: 2 or 3

Mr. R. Prabhu, Assistant Professor, Department of Mechanical Engineering, has secured a position in the Top 2% of the NPTEL course “Food Packaging Technology.

- EDII – Proposal submitted for establishing a Knowledge Partner with EDII.

Institution's Innovation Council (IIC)

Dhanalakshmi Srinivasan Engineering College Recognized by MoE's Innovation Cell

The Institution's Innovation Council (IIC) at Dhanalakshmi Srinivasan Engineering College, Perambalur, has been recognized for successfully undertaking activities prescribed by the Innovation Cell, Ministry of Education, Govt. of India during the 2023–24 IIC calendar year, promoting innovation and start-ups on campus.

- **Received 3-Star Rating.**
- **Under the YUKTI Scheme, 1 out of 5 teams was selected for Regional Level Presentation.**

Dr. B. Karthiga, IIQAC Coordinator, and Mr. R. Prabhu, AP/MECH, participated in the IIC Regional Meet 2025 at St. Joseph's Institute of Technology, Chennai

- 11 Faculty + 9 Students certified as Innovation Ambassadors by MHRD
- Our institute has been selected under the Mentor Scheme.

IQAC Activities

- Successfully participated in NIRF Ranking 2024.
- Submitted NBA–SAR (Tier-1) for three departments: BME, ECE, and EEE.
- Certificate of Recognition –Nodal Centre of virtual labs for the year 2025 by MHRD.

Smart India Hackathon (SIH)

- A total of 45 teams submitted their solutions on the SIH Portal.
- One team from AI & DS, titled “AI-Driven Healthcare Chatbot,” has been shortlisted to present their solution in Cuttack, Bhubaneswar, Odisha.

NIDAR Achievements

Two teams were selected for NIDAR at Gautam Buddha University, Noida, under the guidance of Dr. D. Katheeresan and Dr. B. Karthiga, with the following project titles

- ✓ Precision Agriculture
- ✓ Disaster Management

Dr. Shree K V M, Dean R&D, has been recognized as an NPTEL Discipline Star for the July–December 2025 semester by IIT Madras, in appreciation of outstanding performance and sustained engagement in NPTEL courses

Industrial Visit

The Department of Management Studies organized an enlightening Industrial Visit to Neyveli Lignite Corporation (NLC), Neyveli, on 02.04.2025. A total of 53 enthusiastic students, accompanied by 2 faculty members, actively participated in this educational tour. The primary objective of the visit was to offer students a hands-on learning experience and real-time exposure to large-scale industrial operations in one of India's leading energy and mining corporations. During the visit, students gained deep insights into the mining processes, thermal power generation, organizational structure, and corporate governance followed at NLC. They also had the opportunity to interact with industry professionals, enhancing their understanding of key management functions such as production planning, resource management, logistics, and sustainable development. This experience enabled students to connect classroom theories with practical industrial practices and appreciate the importance of sustainability in business operations. The visit greatly enriched their knowledge of contemporary management practices and encouraged them to think critically about the challenges and solutions in corporate functioning. Overall, the industrial visit proved to be a highly beneficial academic initiative that fostered curiosity, leadership thinking, and real-world exposure among budding managers.

The Department of Management Studies organized an industrial visit for I-MBA students to Chakra Milk House, Perambalur, on 23.09.2025. A total of 42 students, accompanied by two faculty members, actively participated in the visit, gaining valuable insights into the operational processes of the industry.

The fourth-year Biotechnology students visited Hatsun Agro Product Ltd., Madurai on 12 September 2025 as part of their industrial training. The visit provided practical exposure to dairy processing, including collection, pasteurization, homogenization, packaging, and cold storage. Students also interacted with industry professionals to learn about quality control, hygiene practices, and automation, gaining valuable insights into real-world food technology applications.

A group of third-year Biotechnology students successfully completed a five-day intensive training program at Scinicorn Labs Pvt. Ltd., Marthandam, from 20 to 26 January 2025. The training was designed to enhance students' practical skills and deepen their understanding of emerging trends in biotechnology. The program focused on innovative and sustainable applications such as the use of coconut coir as a medium for plant tissue culture, techniques for biomolecule extraction, and foundational tools in computational biology. Students gained valuable hands-on experience in laboratory procedures, data analysis, and eco-friendly biotechnological processes aimed at promoting green science. This training not only bridged the gap between academic learning and industrial practices but also inspired students to explore research opportunities and sustainable innovations in the field of biotechnology.

Third-year Biotechnology students successfully completed a five-day internship on Molecular Biology at Yaazh Xenomics, Madurai, from February 20 to 26, 2025. The program offered hands-on training in advanced molecular biology techniques, enhancing their practical knowledge and research skills
